William Shakespeare,2015-09-27 Excerpt from A New Variorum Edition of Shakespeare The Shakespeare Club many millions strong as Christopher North says is made up of readers of Shakespeare and students of Shakespeare All are readers and some at times students When reading Shakespeare we resign ourselves to the mighty current and let it bear us along whithersoever it will we see no shoals heed no rocks need no pilot Whether spoken from rude boards or printed in homely form the words are Shakespeare s the hour is his and a thought of texts is an impertinence But when we study Shakespeare then r u mood changes no longer are we sitting at a play the passive recipients of impressions through the eye and ear but we weigh every word analyse every expression sift every phrase that no grain of art or beauty which we can assimilate shall escape To do this to our best advantage we must have Shakespeare s own words before us No other words will avail even though they be those of the wisest and most inspired of our day and generation We must have Shakespeare s own text or failing this the nearest possible approach to it We shall be duly grateful to the wise and learned who where phrases are obscure give us the words which they believe to have been Shakespeare s but as students we must have under our eyes the original text which however stubborn it may seem at times may yet open its treasures to our

importunity and reveal charms before undreamed of This original text is to be found in the First edition of his Works published in 1623 and usually known as the First Folio which was presumably printed from the words written by Shakespeare s own hand or from Stage copies adapted from his manuscripts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Twelfth Night, And, Othello (Classic Reprint)** William Shakespeare,2018-01-24 Excerpt from Twelfth Night And Othello The First Edition Twelfth Night or What You Will was first printed in the First Folio where it ocen pies pages 25 5 27 5 in the division of Comedies There is no record of any earlier edition The text is singularly free from misprints and corruptions The list of Dramatis Personae was first given by Rowe as in the case of many of the plays About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

William Robertson Turnbull, 2017-11-20 Excerpt from Othello A Critical Study The critical opinions which are offered in the following pages are founded on close personal study They have not been lightly taken up nor recklessly propounded out of any desire to make a show of new theories and ingenious criticisms Every judgment and description unless the contrary is expressly stated is based on original reading and thought I have attempted to set forward my own view of the character and import of each figure and event in Othello and unless in some very rare case specially indicated I have never delivered a judgment based on second hand information Hence in a few cases it may be discovered that the verdicts pronounced in these pages differ very materially from those commonly held I have honestly striven however to be conservative in taste and About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
