

The background of the cover is a photograph of a cave interior. A person in a yellow suit and red helmet is rappelling down a rope into a large, dark, circular opening in the rock. The rock walls are textured and brownish-yellow. The lighting is dramatic, with a bright light source from above illuminating the person and the cave floor.

Let's Review: Earth Science Edward J. Denecke, 2009-09-01 Designed especially to help prepare students taking the New York State Regents Examination this book makes a valuable supplementary text for high school level Earth Science classes throughout the country Organized into three main study units astronomy meteorology and geology this book provides extensive subject review material with updated questions and answers It also includes one recently given full length Regents Exam in Earth Science *Holt McDougal Earth Science: Guia de Repaso - Review Guide*, 2010 Holt McDougal Earth Science: Long-Term Projects with Answer Key, 2010 *Holt Science and Technology* Holt Rinehart & Winston, 2000-04

UPCO's Physical Setting - EARTH SCIENCE Robert B. Sigda, 2010-09 Earth Science Review Book is user friendly for both the teacher and the student Since the content is aligned with the New York State Core Curriculum for Physical Setting Earth Science a teacher can feel confident that all the required topics are sufficiently developed The suggested outline of units moves from the concrete material to the more abstract subjects such as meteorology and astronomy Throughout the book there is ample opportunity for review of basic skills and ways to tie in the various units For example isolines are discussed early in the year and then revisited later in the weather topics The student has the opportunity to use the book as both a reference and a workbook The extensive number of constructed response items as well as multiple choice questions found interspersed within the topics give ample practice The multiple Regents Exams found at the back of the book can be used both at the end of the course for review and whenever appropriate throughout the year **Library of Congress Catalogs**
