Hidden Journey:

The Desert Encampments Alexander Hool, 2021-06-27 What happened to the Jewish people in the forty years of wanderings between the giving of the Torah and their entry into the Holy Land? Where did they go and what was the purpose of these destinations? The Torah goes into very great detail about the travels and events that took place during these years but the time, place and specifics of many of the events have remained hidden between the profound words of the verses leaving us with a blurred picture and understanding of this crucial period in Biblical and Jewish history. In yet another fascinating and eye-opening study, bestselling author Rabbi Alexander Hool, fortified with detailed mapping and satellite imagery, combines a meticulous study of the text with a plethora of detail gleaned from diverse Rabbinic sources in a fresh and exciting attempt to unlock the subtle and cryptic Scripture and fathom the events, the journeys and the significance of the desert encampments.

Principles of Wild Success [Radical Passion](#) Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism. A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action. According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey's concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action. Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world. Unlike many spiritual books Radical Passion does not veil the dark with artificial hope. It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future
