The Eighth Day John Case,2002-11-26 And on the Seventh Day He rested Genesis 2 2 3 From the New York Times bestselling author of The Genesis Code and The Syndrome here is a spellbinding new thriller of international intrigue religious prophecy cutting edge science and unrelenting suspense For Danny Cray a struggling artist and part time private investigator the offer is too good to be true A wealthy enigmatic lawyer Jude Belzer would like to retain Danny for a little damage control His client an elusive billionaire named Zerevan Zebet is the target of a vicious campaign in the Italian press that threatens to destroy his reputation Belzer wants Danny to find out who is responsible and he will pay handsomely Danny's only lead is the meager estate of a recently deceased professor of religious studies a man so deeply terrified that he buried himself alive in the basement of an isolated farmhouse Belzer swears that if Danny can get at the late professor's files the conspiracy against his own reclusive client will unravel It's the perfect assignment in a way and Danny can sure use the money But the more he probes the more apparent it becomes that nothing is what it seems There is something he isn't being told Something that's not quite right Something dark fast and sinister that's coming at him from behind From the powerful world of Washington D C to the ancient grandeur of Rome from the mysteries of Istanbul to the high stakes drama of Silicon Valley The Eighth Day is a briskly paced globe trotting thriller of electrifying suspense Packed with unexpected reversals and astonishing twists of plot this is John Case's most gripping novel to date *Sila's Fortune* Fabrice Humbert,2013-03-28 Paris June 1995 In a restaurant a waiter is violently attacked by a guest No one moves Neither the Russian couple nor the wife of the aggressor nor the two young traders come to celebrate their first jobs on the floor An event not worth lingering over All actions have consequences And on this occasion the brutality indifference or cowardice of those present will signal the beginning of their individual undoing From the fall of the Berlin wall to the financial crash of 2008 in a world defined by wealth the crossed destinies the actors in this first scene from Russian oligarch to property speculator weave a web At its is Sila the floored immigrant whose refusal to be made a victim will bring the house down **The Literary Digest**

electrifying space where failure turns into fortune These are not tales of overnight success but chronicles of relentless perseverance of men and women who stared at the ashes of their dreams and refused to surrender They were bankrupt not only in finances but often in spirit burdened by ridicule rejection and crushing debt yet somewhere in that abyss they discovered a spark a vision powerful enough to rewrite their destiny This book captures the dramatic reversals that define the essence of true entrepreneurship the founder who mortgaged everything to try one last idea the CEO who lost an empire only to build another greater than before the visionary who used failure as the foundation for unimaginable success Each story unfolds like a cinematic arc of downfall and resurrection showing how bankruptcy rather than being an end can become the ultimate catalyst for rebirth The air is thick with desperation and defiance the boardrooms are battlefields where strategies collide with survival instincts and every decision feels like a gamble with fate itself Yet in this chaos brilliance emerges unconventional ideas daring innovations and sheer willpower transform collapse into conquest This is the world where fortunes are rebuilt from the rubble where resilience becomes the most valuable currency and where belief in oneself outlasts the darkest storms From Bankruptcy to Billionaire is not just about money it is about transformation courage and the relentless human desire to rise again to reclaim dignity and power when everything seems lost It reminds us that true success is not measured by how high one climbs but by how fiercely one rises after falling turning the ruins of defeat into the foundations of greatness
