Auto Legends Classics Of Style And Design:

Auto Legends Robert Cumberford, 2014-04-04 The cars are presented chronologically in a succession of seductive photographs by Michel Zumbrunn widely recognized as one of the best car photographers working today The combination of general views taken from a variety of angles and numerous close ups of exquisite detailing allows the reader to appreciate fully these masterpieces of the car designer's art Each entry is accompanied by a vivid commentary by Robert Cumberford a car designer and renowned motoring journalist who shares his astounding knowledge with the reader in order to highlight the history and essential design features of each vehicle An illuminating introduction traces the development of styling trends and influences while brief biographies of the most innovative designers from the last one hundred years and a full technical glossary are also included The book concludes with a directory of museums and public collections around the world where examples of the featured cars may be seen

American Auto Legends Michael Furman, Tracy Powell, 2013-08-15 American Auto Legends presents more than 50 remarkable American cars in a chronological fully illustrated book filled with historic photographs It covers all eras of American automobiles from the horseless carriages of the early 1900s to the sleek and ultra efficient machines of the early twenty first century Concise descriptions highlight the key features of each vehicle while stunning images by one of America's leading car photographers provide the reader with an unparalleled visual record American Auto Legends features all the major US manufacturers including Buick Chevrolet Ford Lincoln and Studebaker this book is an essential and authoritative guide to the many legends of the American highway Includes biographies of key figures in the US automobile industry a full technical glossary and details of where the cars may be seen This lavishly illustrated book will appeal to classic car enthusiasts worldwide

Italian Auto Legends Michel Zumbrunn, Richard Heseltine, 2006 Italian car design engenders a unique sense of passion in drivers and car enthusiasts everywhere Its great names Alfa Romeo Ferrari Lamborghini Lancia Maserati are associated with some of the most charismatic and exciting cars ever made and resonate the world over This lavishly illustrated book brings together more than fifty five of the most important Italian cars designed from 1907 to the present day each one representing a key moment in Italian car design With an introduction describing the epic history of Italian motoring and its great marques a succinct description of each car's history design and performance and the unparalleled photographs of one of the world's top car photographers this book is the definitive testament to the original car styling capital of the world

British Auto Legends Richard Heseltine, 2014-04-30 This superbly illustrated book brings together more than fifty of the most significant British cars designed between the early twentieth century and the present Each model starting with the Rolls Royce Silver Ghost of 1907 famed for its exemplary reliability and concluding with the Jaguar XK180 of 1998 a breathtakingly attractive concept car is a milestone of British motoring heritage Beginning with an introduction that charts the often tortuous story of the British car industry and the development of its legendary marques the book goes on to describe each car's history design and performance

Accompanying the lively commentary on each model are exquisite images by one of the world's foremost car photographers including exterior shots taken from different angles and close ups of the interior and engine and other design details Also featured are biographies of the influential designers of the last century a full technical glossary and a directory of museums and other collections worldwide where the cars may be seen *Ferrari Legends* Michel Zumbrunn, Richard Heseltine, 2008 Features 400 colour illustrations of 40 of the most significant Ferraris and discusses their background design and performance ICoRD'13 Amaresh Chakrabarti, Raghu V.
