**A Backward Glance O'er Travel'd Roads** Jack Foley, 2021-02 A Backward Glance O'er Travel'd Roads title from Whitman is a companion volume to poet Jack Foley's autobiography *The Light of Evening* As the autobiography treats the events of Foley's life A Backward Glance treats his intellectual history Poetry arrived in Foley's consciousness in more or less the same way that the words Saul Saul why dost thou persecute me arrived in the consciousness of the apostle Paul on the road to Damascus At the age of fifteen Foley like most of his friends thought of poetry as more or less inconsequential old fashioned dull A teacher's suggestion that he read Thomas Gray's *Elegy Written in a Country Churchyard* 1750 changed all that The poem seemed to me the most beautiful sound I had ever heard It affected me so deeply that I

wanted it to have come out of me not out of Thomas Gray and I immediately sat down and wrote my own Gray s Elegy in the same stanzaic form and with the same rhyme scheme as the original I understood the state of mind named in Gray s Elegy to be the state of mind of poetry itself and in reacting so deeply to it I understood myself to be a poet On the face of it it seemed like an extremely unlikely event Thomas Gray was an English poet a letter writer a Classical scholar and a professor at Pembroke College Cambridge Foley was an ambitious Irish Italian working class kid who was aware of what the British had done to the Irish Yet at such life changing moments none of that mattered To be a poet meant to change your life The fifteen year old half Irish child suddenly transformed himself into an adult eighteenth century British formalist From there Foley began to interrogate the entire history of poetry The story of Foley s spiritual history is the story of his finding what Wallace Stevens called what will suffice The range of his mind moved into radical poetic innovation as well as into deeply traditional modes and a recognition of the legacy of Modernism At age eighty Foley has led a unique life as a writer performer of poetry a radio host and an all around West Coast gadfly of the poetic establishment If you want the interesting events of his life read *The Light of Evening* If you want the life of his mind read *A Backward Glance O er Travel d Roads*     *Goethe's Autobiography* Johann Wolfgang von Goethe,1932     **Hermaphrodeity** Alan Friedman,1972-01-01     *The Master, the Muse and the Poet* Paul Smith,2012-12-11 THE MASTER THE MUSE THE POET An Autobiography in Poetry by Paul Smith Born in Melbourne Australia in 1945 Paul Smith began composing poems in the ancient Persian form of the ghazal at the age of 6 on his way to school Here are most of his poems composed over the past 53 years free form rhyming ruba is ghazals masnavis etc Here are poems composed at home or travelling in the East and the U S A while giving readings of his poetry and translations Here are poems of a personal nature about human love grief about evolution and God and man and the environment and the past present and future Many of the poems were composed while translating the works of Hafiz Sadi Nizami Rumi Kabir Obeyd Zakani Jahan Khutan Meher Baba Huma and many others and while writing novels screenplays children s books and plays where he continued to tell the inner and outer story of his passage through this mysterious and wonderful and sometimes very painful life 726 pages COMMENTS ON PAUL SMITH S TRANSLATION OF HAFIZ S DIVAN It is not a joke the English version of ALL the ghazals of Hafiz is a great feat and of paramount importance I am astonished If he comes to Iran I will kiss the fingertips that wrote such a masterpiece inspired by the Creator of all Dr Mir Mohammad Taghavi Dr of Literature Tehran Superb translations 99% Hafiz 1% Paul Smith Ali Akbar Shapurzman translator into Persian and knower of Hafiz s Divan off by heart I was very impressed with the beauty of these books Dr R K Barz Faculty of Asian Studies Australian National University Smith has probably put together the greatest collection of literary facts and history concerning Hafiz Daniel Ladinsky Penguin Books author Paul Smith is a poet author and translator of over 80 books of Sufi poets of the Persian Arabic Urdu Turkish Pashtu and other languages including Hafiz Sadi Nizami Rumi Attar Sana i Jahan Obeyd Zakani Nesimi Kabir Anvari Ansari Jami Khayyam Rudaki Yunus Emre and many others as well as poetry fiction plays

books These musings then date from what was in many ways a natural vantage point on his artistic development a moment ripe for recollection and analysis Dickey uses the occasion not only to look back on his career but also to consider his preferences and goals as a poet I would like to be able to write a poetry he reveals that would have something for every level of mind something that would be accessible to a child and would also give college professors and professional critics something maybe something they haven't had much of recently or indeed ever This book is not so much the autobiography of a poet as it is the biography of a poet's work Unique and revealing Self Interviews is an intimate profile of a decade in the art of one of America's finest poets

**The Light of Evening** Jack Foley, 2021 Jack Foley has been prominent in the San Francisco Bay Area poetry scene since the mid 1980s The Light of Evening traces the arc of his life since his birth in New Jersey in 1940 Foley has spent his life in the pursuit of ways to continue writing poetry in a world in which the status of poetry has been seriously diminished This candid autobiography offers a portrait of an artist who has continued to produce experimental as well as traditional work and who created theoretical underpinnings for that work His exciting choruses duets performed with his late wife Adelle established him as a unique presenter of poetry in an area in which poets abound Along with his creative work Foley studied at Cornell with the brilliant and notorious deconstructionist critic Paul de Man He lived through the 1960s in and around Berkeley California attending the university at the height of the Free Speech Movement Following on the heels of Kenneth Rexroth he has presented poetry on KPFA FM Berkeley's radical radio station for over thirty years He produced a 1300 page history of Californian poetry from 1940 to 2005 that has been called an oddball masterpiece the first adequate account of California's complex and contradictory literary life At eighty Foley looks back at a life in which he managed to maintain himself as a contrarian poet who never resorted to the academy for sustenance and who never courted fame from the East Coast literary hegemony The Light of Evening is the story of a complex always in motion public intellectual for whom poetry was first last and always

Poetry and Autobiography Jo Gill, Melanie Waters, 2011 This collection makes a critical and creative intervention into ongoing debates about the relationship between poetry and autobiography Drawing on recent theories of life writing the essays and reflections in this volume offer new analyses of works by a range of poets dating from the early modern period to the present day This book was published as a special issue of Life Writing
