Pc Training Prospectus 2016:

VAS BROCHURE 2018 VAST, Vidya Academy of Science Technology VAST is a state of the art engineering college conforming to international standards This model engineering college is approved by AICTE and affiliated to the University of Calicut APJ AKTU Kerala In few years VAST has evolved and achieved recognition as a notable School of Engineering with its competent and committed faculty high quality infrastructure and high technology teaching aids and by providing a serene atmosphere that complements academic life VAST has a holistic approach to education where academic training goes hand in hand with offerings that develop the body mind and soul to prepare its graduates to be future leaders How Computers Entered the Classroom, 1960-2000 Carmen Flury, Michael Geiss, 2023-06-19 In the history of education the question of how computers were introduced into European classrooms has so far been largely neglected This edited volume strives to address this gap The contributions shed light on the computerization of education from a historical perspective by attending closely to the different actors involved such as politicians computer manufacturers teachers and students political rationales and ideologies as well as financial political or organizational structures and relations The case studies highlight differences in political and economic power as well as in ideological reasoning and the priorities set by different stakeholders in the process of introducing computers into education However the contributions also demonstrate that simple cold war narratives fail to capture the complex dynamics and entanglements in the history of computers as an educational technology and a subject taught in schools The edited volume thus provides a comprehensive historical understanding of the role of education in an emerging digital society Building Better Students Jeremy Burrus, Krista Mattern, Bobby D. Naemi, Richard D. Roberts, 2017 This volume discusses issues surrounding workforce readiness in the 21st century Leading experts from psychology education and the workforce present cutting edge research on the topic Building Better Students stands at the forefront of offering readers promising new directions for reducing the emerging skills gap **Shop Window, Flagship, Common Ground** Judith A. Muskett, 2019-11-30 How are cathedrals and churches understood Are they shop windows through which to gaze at the riches on offer within the Christian life Are they flagships of the Spirit Are they both sacred spaces and community utilities Shop window flagship common ground views the rich ministry and innovative mission of cathedrals through the novel lens of metaphor and it offers comparative insights on cathedrals and cathedral like churches Located in the emerging international field of cathedral studies the book explores the usage and inferences of a range of metaphors including shop windows of the Church of England flagships of the Spirit beacons of the Christian faith magnets and sacred space common ground This volume also shows how such metaphors can stimulate different types of research about the function of cathedral and church buildings With a Foreword by Professor Grace Davie the book suggests that cathedrals and cathedral like churches may play a role within vicarious religion theory It will provide a thought provoking critique for practitioners and a valuable contribution for scholars of cathedral studies congregational studies and ecclesiology
