**Textbooks & Serials in Print, 2005** ,2005 *The Cumulative Book Index* ,1909 A world list of books in the English language The Limits of Empire: European Imperial Formations in Early Modern World History William Reger,2016-03-03 This volume published in honor of historian Geoffrey Parker explores the working of European empires in a global perspective focusing on one of the most important themes of Parker s work the limits of empire which is to say the centrifugal forces sacral dynastic military diplomatic geographical informational that plagued imperial formations in the early modern period 1500 1800 During this time of wrenching technological demographic climatic and economic change empires had to struggle with new religious movements incipient nationalisms new sea routes new military technologies and an evolving state system with complex new rules of diplomacy Engaging with a host of current debates the chapters in this book break away from conventional historical conceptions of empire as an essentially western phenomenon with clear demarcation lines between the colonizer and the colonized These are replaced here by much more fluid and subtle conceptions that highlight complex interplays between coalitions of rulers and ruled In so doing the volume builds upon recent work that increasingly suggests that empires simply could not exist without the consent of their imperial subjects or at least significant groups of them This was as true for the British Raj as it was for imperial China or Russia Whilst the thirteen chapters in this book focus on a number of geographic regions and adopt different approaches each shares a focus on and interest in the working of empires and the ways that imperial formations dealt with or failed to deal with the challenges that beset them Taken together they reflect a new phase in the evolving historiography of empire They also reflect the scholarly contributions

of the dedicatee Geoffrey Parker whose life and work are discussed in the introductory chapters and we're proud to say in a delightful chapter by Parker himself an autobiographical reflection that closes the book **Instructor**,1976 **Teaching and Learning Through the Holocaust** Anthony Pellegrino,Jeffrey Parker,2022-12-16 This book serves as a critical resource for educators across various roles and contexts who are interested in Holocaust education that is both historically sound and practically relevant As a collection it pulls together a diverse group of scholars to share their research and experiences The volume endeavors to address topics including the nature and purpose of Holocaust education how our understanding of the Holocaust has changed and resources we can use with learners These themes are consistent across the chapters making for a comprehensive exploration of learning through the Holocaust today and in the future **The Library World**,1966
