Her Dueling Daddies Lee Savino, Two daddies are better than one I m caught between two dominant daddies best friends who compete at everything Both Bear and Sawyer have muscles for days but they want to know who s better in bed And they want me to judge Their game their rules but I can play along They call the shots in and out of bed and disobedience has delicious consequences As the final round approaches and the stakes are raised I m hoping this isn t just a game I m falling fast and I don t think I can choose They re both playing to win But which one s playing for keeps *Fun Together* Hillary Noelle,2025-08-26 Faye Wilson is a chronic homebody in desperate need of a fun makeover She s processing a recent break up in all of her usual ways working too much and ignoring those Bad Feelings Determined to remake herself she creates Faye s Hierarchy of Fun a foolproof guide to become her most fun self at work and in her personal life Oh and in bed Eli Miller may have gone overboard in the fun department and he s finally ready to get serious Five years failing to balance work and play in New York City has left him with nothing but an empty savings account and a longing for something stable and real A move back to his hometown in North Carolina is just the fresh start he needs to get back on track or so he thinks When Eli starts a new job that brings him face to face with Faye his best friend s ex and the woman he tried and failed to not think about for years his fresh start gets a little more complicated Especially when he volunteers to help Faye check off items on her Fun List As they spend more time together feelings develop that could ruin their best laid plans Or maybe they ll learn that finding happiness isn t about being fun or being serious but about finding the person that makes it easy to be both
