The Diary Of A West Point Cadet:

The Diary of a West Point Cadet Preston Pysh, 2010-11 A graduate's captivating and hilarious stories that teach vital leadership lessons from the US military academy *Reading the Man* Elizabeth Brown Pryor, Robert Edward Lee, 2007 Offers insight into the lesser known complexities of the general's personality in a biography based on his unpublished personal correspondence and covering such topics as his early years relationships with family and slaves and thoughts on military strategy A Young General and the Fall of Richmond G. William Quatman, 2015-02-13 Despite his military achievements and his association with many of the great names of American history Godfrey Weitzel 1835-1884 is perhaps the least known of all the Union generals After graduating from West Point Weitzel a German immigrant from Cincinnati was assigned to the Army Corps of Engineers in New Orleans The secession of Louisiana in 1861 with its key port city of New Orleans was the first of a long and unlikely series of events that propelled the young Weitzel to the center of many of the Civil War's key battles and brought him into the orbit of such well known personages as Lee Beauregard Butler Farragut Porter Grant and Lincoln Weitzel quickly rose through the ranks and was promoted to brigadier general and eventually to commander of Twenty Fifth Corps the Union Army's only all black unit After fighting in numerous campaigns in Louisiana and Virginia on April 3 1865 Weitzel marched his troops into Richmond the capital of the Confederacy capturing the city for the Union and precipitating the eventual collapse of the Southern states rebellion G William Quatman's minute by minute narrative of the fall of Richmond lends new insight into the war's end and his keen research into archival sources adds depth and nuance to the events and the personalities that shaped the course of the Civil War Custer's Trials T.J. Stiles, 2016-10-25 Winner of the 2016 Pulitzer Prize for History In this magisterial biography T J Stiles paints a portrait of Custer both deeply personal and sweeping in scope proving how much of Custer's legacy has been ignored He demolishes Custer's historical caricature revealing a capable yet insecure man intelligent yet bigoted passionate yet self destructive a romantic individualist at odds with the institution of the military court martialed twice in six years and the new corporate economy a wartime emancipator who rejected racial equality Stiles argues that although Custer was justly noted for his exploits on the western frontier he also played a central role as both a wide ranging participant and polarizing public figure in his extraordinary transformational time a time of civil war emancipation brutality toward Native Americans and finally the Industrial Revolution even as he became one of its casualties Intimate dramatic and provocative this biography captures the larger story of the changing nation It casts surprising new light on one of the best known figures of American history a subject of seemingly endless fascination *To Be a Soldier* Julian M. Olejniczak, 2015-02-06 West Point is a geographical location that was of critical importance during the Revolutionary War the site of our nation's first military academy and the commissioning source of thousands of Army Air Corps Air Force and even some Navy and Marine Corps officers who have led our nation's young men and now women in battle since the Academy's founding on March 16 1802 by President Thomas Jefferson

This volume contains a very selective military history of the United States that focuses on the Revolutionary War and the contributions of West Point graduates to subsequent wars but with an emphasis on some of the lesser known persons and events of the past 250 years or so. It also touches upon many of the customs and traditions of the West Point experience. Many chapters include the stories of unsung or forgotten heroes and heroines. Men like John Stark, Daniel Morgan, Eleazer Derby, Wood, Benjamin L. E. Bonneville, Oliver Otis Howard, Henry Ossian Flipper, Calvin Pearl, Titus Charles Young, Norman D. Cota, and Donald W. Holleder, plus women like the Warner sisters, Laura Walker, and Emily Perez. One of the final chapters, however, deals within the kindest sense of the term a few rogues of West Point like Edgar Allan Poe, James McNeil Whistler, Hugh S. Johnson, and The Mole. The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces, 1910

West Point Theodore J. Crackel, 2002. Authored by Theodore Crackel, West Point's Bicentennial History celebrates one of America's most prominent establishments. A revision and refinement of the author's earlier *Illustrated History of West Point*, published more than ten years ago, it provides the most accurate and comprehensive history yet available on the Academy. It features new research and new perspectives in every chapter, adds a decade of coverage, and has garnered the West Point Bicentennial Committee's official seal of approval. Jacket **West Point** Thomas J. Fleming, 1969. Jefferson Davis, Edgar Allan Poe, William Tecumseh Sherman, James McNeil Whistler, George Armstrong Custer, Dwight Eisenhower—these are only a few of the array of famous names who have boned math and done close order drill at the United States Military Academy at West Point. All of them come to vivid life in this fascinating, informative, and eminently readable story of a school whose graduates have played a central role in American history since its founding in 1802.
