Excel Basic Skills

Homework Book Gunter Schymkiw, 1998 Excel Maths Fractions, Decimals and Percentages is divided into four skill levels. Although the earlier units cover lower primary school work, older children who are having trouble will benefit from working through them. Children often have problems with fractions and decimals because they don't fully understand the basic skills involved. Once they have learnt these fundamental concepts, the student can work through the units relevant to their Year level. Year 3 children having trouble with fractions should start at Unit 1. Year 4 children having trouble with equivalent fractions or decimals should start at Unit 2. Year 5 children having trouble with mixed fractions and equivalent fractions should start at Unit 3. Year 6 children who require revision of fractions, decimals and percentages should complete Unit 4. The activities in all units of this book reflect current classroom practice. There is a strong emphasis on understanding as new concepts are introduced. Children's confidence will grow as they complete the practice examples. In this book your child will
