Hyper-Digital Marketing Vanitha Swaminathan,2025-10-18 The rapid changes in technology and the rise of AI have heralded the introduction of a new era which we refer to as the era of hyper digitalization This shift has significant impacts on how organizations and enterprises carry out critical functions across various areas including marketing information technology human resources and others We are witnessing the transformation of the marketing function with many traditional roles of marketers being replaced by new roles that depend heavily on cross functional coordination with multiple areas These changes could be far reaching and have already dramatically impacted how to organize many tasks within organizations Against this backdrop this book offers modern marketers and technologists a guide on navigating the many changes occurring in organizations Any senior executive can leverage many of the concepts presented in this book and be able to handle the sweeping changes taking place in the age of AI This book introduces a new framework with six pillars of modern marketing strategy in the age of hyper digitalization purpose phygital experiences platform participation personalization and partnerships Each pillar has its own chapter which provides specific guidance for managers on how to implement it The chapters also demonstrate how each pillar can influence key outcomes like attention and engagement In the context of hyper digitalization and AI the six pillar framework will help managers navigate current developments and implement changes that any enterprise is faced with It will offer senior marketing strategists and students a framework for strategic thinking that prepares them for the workplace of tomorrow The framework is supported by numerous case studies and examples from both the United States and other parts of the world that demonstrate how these concepts are applied in real world situations The book incorporates insights from scholarly research on these topics to provide evidence based guidance for managers and executives You can request access to a sample syllabus here [sn pub lecturer material](#)

Digital Wellness, Health and Fitness Influencers Stefan Lawrence,2022-10-07 This book examines the phenomenon of digital guru media DGM the self styled online influencers life coaches experts and entrepreneurs who post on the themes of wellness health and fitness It opens up new perspectives on digital leisure and internet celebrity culture and asks important questions about the social cultural and psychological implications of our contemporary relationship with digital media Drawing on cutting edge social theory the book explores a wide range of contexts in which DGM intersects with digital leisure from the

health related learning of young people to the clean eating movement to the online lives of fitness professionals It asks if digital and social media are problematic per se and explores the problems a turn to the Internet could be revealing about the lack of real world or analogue support as well as potential solutions for our wellness health and fitness needs and wants Bringing together innovative multi disciplinary perspectives this book is fascinating reading for anybody with an interest in leisure studies media studies cultural studies sociology or health and society *A Physical Education* Casey Johnston,2025-05-06

From the most visible woman writing about weightlifting today a profoundly engrossing memoir and manifesto about how lifting helped dissolve her allegiance to diet culture taught her to be at home in her body and led her to grow every kind of strength Elizabeth Greenwood In *A Physical Education* Casey Johnston recounts how she ventured into the brave new world of weightlifting leaving behind years of restrictive eating and endless cardio Woven through the trajectory of how she rebuilt her strength and confidence is a staggering expos of the damaging doctrine spread by diet and fitness culture Johnston s story dives deep into her own past relationships with calorie restriction exercise and codependency As she progresses on her weightlifting journey she begins to eat to fuel her growing strength and her food cravings vanish Her physical progress fuels a growing understanding of how mainstream messaging she received about women s bodies was about preserving the status quo Previously convinced that physical improvement was a matter of suffering she now knows it requires self regard and patience A little pushing at a time adds up to the reawakening of parts of herself she didn t even know were there *A Physical Education* asks why so many of us spend our lives trying to get healthy by actively making our bodies weaker Casey Johnston is a voice for those of us who feel underdeveloped and unfulfilled in our bodies and are looking to come home to ourselves **Holiday Keto** Stacey Michelle,2020-10-20

dream about looking great in a bikini until they are faced with the huge amount of time and sweat equity involved in reaching swimsuit cover model shape Feeling intimidated and overwhelmed they give up before they start However readers can get a bikini body not by working harder but by working smarter Exercise guru Karon Karter featured on The Natural Wellness Channel s Pilates for Real Bodies program takes the best Pilates moves and combines them with the most effective leg butt and ab firming exercises to get in bikini shape in the shortest amount of time possible Using targeted routines women will re sculpt and firm muscles in key trouble areas Built around a 6 week timeline Karon Karter offers a specific course that gives women the shortest legitimate way to sculpt their body to bikini perfection *Bikini My Body in 8 Weeks* Alex Michael Betts, 2017-02-13 This book was inspired by my desire to offer easy to follow and effective workout and nutrition programs to help people get back on track and start to make healthy living a lifestyle rather than a chore Too many people start off their exercise regimens with the best of intentions but don t have a clear enough plan to follow Therefore no plan to stick to This 8 week program is designed for you to be able to sculpt your body and get in great shape without having to leave the comfort of your home or spend countless hours grinding away in the gym This is for ANYBODY from a newbie who has never exercised seriously before to a travelling executive who needs to squeeze a quick workout into an already hectic schedule These workouts are relatively short and sweet and are designed to boost your metabolism with the high intensity interval training HIIT and Excess Post Exercise Oxygen Consumption EPOC philosophies Psychologically it is also a lot easier to start a program when the workouts are very short you will barely notice the increase in duration as you progress In a nutshell you bust your ass for a short period of time and your metabolism rate will remain elevated for longer meaning you burn more FAT At first some may find it hard work so please don t push yourself to the point of passing out listen to your body and build up your stamina gradually if you NEED to rest after every exercise then do it but time your rest and try to reduce it gradually over the course of the program The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned The less rules you have to follow the higher your chances of success There is also a tendency to throw too much at your body at first you end up burning out and falling off the wagon This program will build you up from the ground gently which will massively increase your chances of succeeding by sticking with the program There is a lot of confusion and misinformation when it comes to diet and exercise I have made this program very easy to follow and applied rules that have proven to work time and time again This is a no gimmicks no nonsense plan This eBook contains the following information to ensure your success in the program 18 mins workout day for week 1 8 week easy to follow nutrition plan 4 complete home exercise routines 20 video links to home exercises 10 golden rules to secure your success ABOUT THE AUTHOR Alex Betts Founder of FitnessGuruSG com is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well being Alex has helped transform hundreds of individuals to become healthier fitter and stronger physically and mentally At a young age Alex developed a fascination for the potential of the human body to be

sculpted and to demonstrate strength confidence and power After seeing my body start to change shape and muscles appearing in places where I had never seen them before I was instantly hooked this became my wonderful obsession my therapy and kept me on the straight and narrow no matter what life threw at me Alex believes that there is so much more to training than vanity He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body Alex earned his degree in Sports Exercise Science from the University of Leeds UK in 2005 He is also the President of Singapore Federation of Bodybuilding Fitness SFBF The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness IFBB organizers of world renowned fitness and bodybuilding competitions namely Joe Weider s Olympia Weekend and The Arnold Classic Sports Festival *The Brazilian Bikini Body Program* Regina Joseph,2007-05 Brazilian born Joseph shares the secrets of the Brazilian approach to eating living and enjoying life in this innovative 30 day program The comprehensive dietary and exercise program includes meal plans recipes and fully illustrated exercises
