*Bikini Competition* Emily Brooks, 2019-05-03 It takes a lot of self discipline and control to be able to look fit in time for a bikini competition. You need to understand the different kinds of diet plans that you can try to keep your body fit and toned. In this book You can get some tips and information about bikini competitions and what the judges look for when judging the contestants. This will at least give you an idea what to improve on and what to avoid before joining the competition. You will also learn about different supplements that you can take before the competition to maintain your fit and toned physique. For you to be fully equipped for your bikini competition there are certain procedures and criteria for it. First you will need a coach. Both beginners and professionals need a coach. Novices need mentors. Professionals need mentors. You need an expert who will guide you through the competition. Your coach will guide you and explore you to important facts you need to know about the competition. Your mentor might need to take a close watch on you monitoring your diet and fitness. Finally this wonderful book by Emily Brooks will also give you some tips and techniques to keep your motivation high and will also help you win the competition. After all it is important that both your mind and body are in excellent condition if you want to be declared as the winner.

Since the boom of social media in the mid 2000s tens of millions of people have started their own platforms in hopes of creating success on their own terms. But with great visibility comes great vulnerability. We become riddled with self doubt and trapped performing a version of what they believe will be acceptable to others optimized for more external approval and algorithmic success. What if the mere act of being followed including the criticism, judgment, and expectation social media creates could actually become a tool for your personal growth. Enter *Followed* The Content Creator's Guide to Being Seen. Facing Judgment and Building an Authentic Personal Brand. By embracing self discovery through self expression you can learn to see exposure as an opportunity for personal development and break free from the imaginary boxes that were always too small for you.
