On the Bilingual Person Canadian Society for Italian Studies,1989 The Catholic Church, The Bible, and Evangelization in China

Cindy Yik-yi Chu,2022-01-01 This edited volume starts from the perspectives of Beijing in how it sees that religion should serve the interests of the state From China s viewpoint religion should act as a stabilizing force of society or else the Christian Churches will lose their reason for existence This might be incomprehensible to Western Christians who believe in the freedom of religion and their right to embrace their faith This collection of articles represents the concerted efforts of Chinese Italians and an American who live in China Europe and the United States and belong to different disciplines such as History Religious Studies and Language Studies to promote a better understanding of the Catholic Church in the world and in China *National Union Catalog* ,1983 Includes entries for maps and atlases **The Publishers' Circular and Booksellers' Record** ,1920 *Global Migration and Christian Faith* M. Daniel Carroll R.,Vincent E. Bacote,2021-12-29

Human history is the history of migration Never before however have the numbers of people on the move been so large nor the movement as global as it is today How should Christians respond biblically theologically and missiologically to the myriad of daunting challenges triggered by this new worldwide reality This volume brings together significant scholars from a variety of fields to offer fresh insights into how to engage migration What makes this book especially unique is that the authors come from across Christian traditions and from different backgrounds and experiences each of whom makes an important contribution to current debates How has the Christian church responded to migration in the past How might the Bible orient our thinking What new insights about God and faith surface with migration and what new demands are placed now upon God s people in a world in so much need Global Migration and Christian Faith points in the right direction to grapple with those questions and move forward in constructive ways **Bilingual New Testament, English - Spanish** Transcription International,2013-05-01 The Bilingual New Testament English Spanish is derived from the 1901 American
