Bimby Vorwerk Contempora:

Content Marketing Luca Conti, Cristiano Carriero, 2016-02-29T00:00:00+01:00 La battaglia dell'attenzione si vince con i contenuti attraverso i quali raggiungere e stimolare l'interesse di potenziali clienti. In un momento in cui i media tradizionali perdono terreno a vantaggio di app e media digitali, ogni azienda/organizzazione ha l'opportunità di diventare essa stessa un editore producendo e curando i propri contenuti: testi, video, infografiche e molto altro. Content marketing vuole aiutarvi a ragionare come professionisti analizzando i bisogni dei destinatari che volete contattare pianificando le attività necessarie con metodo e continuità. Strategie consigliate per un piano editoriale corretto e best practice di aziende e professionisti rendono questo volume un programma da applicare subito. Il content marketing vi consente di emergere dal mare magnum della rete permettendovi di conquistare l'attenzione e la fiducia dei vostri clienti attuali e futuri: una delle grandi opportunità per il vostro business.

M'invento un lavoro Giulia Settimo, 2013-07-16 Viviamo nell'era della precarietà e del passaggio dal posto fisso al lavoro autonomo/microimprenditoriale. Questo libro vuole aiutare il lettore a inventarsi un'occupazione su misura con idee, indicazioni pratiche e numerose esperienze di chi è riuscito a trasformare un talento in un'attività appagante e creativa ricavandone un reddito soddisfacente. Di chi, per esempio, partendo da una passione per i fornelli o per l'arredamento ha inventato nuovi servizi. Di chi, lasciando la laurea nel cassetto, ha fatto fortuna con il gelato. Di chi coniugando creatività ed esigenze commerciali ha creato il fast food della polenta o il laboratorio del sapone naturale. Di chi ha aperto un nido d'infanzia nel proprio appartamento cittadino e di chi invece lo ha ambientato in una fattoria. Di chi esporta in tutto il mondo un piccolo strumento musicale della sua terra che pareva ormai destinato all'estinzione. Di chi partendo da un sogno si è inventato un lavoro.

Digital Culture & Society (DCS) Tim Hector, David Waldecker, Niklas Strüver, Tanja Aal, 2023-09-01 Modern mundane life is brimming with a variety of data-driven technologies that are supposed to augment the practices they are involved in. As humans bring these technologies into their lives in a process of domestication, they tame them and are simultaneously influenced by their presence. In combining domestication research and an empirical analysis of current digital and interconnected media, this issue examines the process of taming with an emphasis on practices. The contributions in this issue explore the use of digitally connected media such as vacuum robots, smart speakers, drones, and kitchen appliances with reference to the domestication paradigm from interdisciplinary perspectives including media studies, sociology, anthropology, and human-computer interaction.

Strategy and Communication for Innovation Nicole Pfeffermann, Julie Gould, 2017-03-06 This contributed volume presents a state-of-the-art compendium for startups and corporations focusing on corporate ventures. The book is based on the volume *Strategy and Communication for Innovation* and includes up-to-date

discussions which help to better understand strategy and communication from a startup perspective Each chapter offers a starting point for the exchange of ideas key lessons and new insights from entrepreneurial perspectives such as e ventures corporate ventures and traditional ventures Readers with an interest in innovation management will benefit from this book
