**The Practice of the Presence of God** Brother Lawrence,2009-03-01 First published in 1692 a year after Brother Lawrence s death this beautifully written and intensely personal little book has been cherished for generations as a rich source of inspiration and guidance for all who seek true and lasting spiritual fulfilment Nicholas Herman of Lorraine better known as Brother Lawrence was born in France in 1611 and came from humble origins First serving as a soldier then as a footman he entered the Carmelite Order in Paris as a lay brother at the age of 55 where he became a cook and immersed himself in the devotional life For him there was no distinction between the time of business and the time of prayer He died in 1691 at 80 years of age honoured by all who knew him

**Brother Lawrence** Nicholas Herman,Brother Lawrence,2012-04-07 Brother Lawrence was born Nicolas Herman in Herimenil near Luneville in the region of Lorraine located in modern day eastern France Having felt he had received a revelation of the providence and power of God at the age of 18 within six years he joined the Discalced Carmelite Priory in Paris In this intervening period he fought in

the Thirty Years War and later served as a valet Nicolas entered the priory in Paris as a lay brother not having the education necessary to become a cleric and took the religious name Lawrence of the Resurrection He spent almost all of the rest of his life within the walls of the priory working in the kitchen for most of his life and as a repairer of sandals in his later years Despite his lowly position in life and the priory his character attracted many to him He had a reputation for experiencing profound peace and visitors came to seek spiritual guidance from him The wisdom he passed on to them in conversations and in letters would later become the basis for the book The Practice of the Presence of God Father Joseph de Beaufort later vicar general to the Archbishop of Paris compiled this work after Brother Lawrence died It became popular among Catholics and Protestants alike with John Wesley and A W Tozer recommending it to others As a young man Herman s poverty forced him into joining the army which guaranteed him meals and a small stipend During this period Herman claimed an experience that set him on a unique spiritual journey He considered it a supernatural clarity into a common sight more so than as a supernatural vision During the winter Herman looked at a barren tree stripped of leaves and fruit and realized it awaited the sure hope of a springtime revival and summer abundance Gazing at the tree Herman grasped deeply the extravagance of God s grace and the unfailing sovereignty of divine providence Like the tree he felt seemingly dead but held hope that God had life waiting for him and the turn of seasons would bring fullness At that moment he said that leafless tree first flashed in upon my soul the fact of God and a love for God that never ceased Shortly after an injury forced his retirement from the army and after a stint as a footman he sought a place where he could suffer for his failures He thus entered the Discalced Carmelite monastery in Paris as Brother Lawrence This is an out of print manuscript All pages are intact and it has been carefully reviewed
