Mocombe,2020-09-04 This work explores the concept of structural reproduction and differentiation through the origins of and basis for Paul C Mocombe s Mocombeian Strategy 2005 and Reading Room Curriculum published as Mocombe s Reading Room Series 2007 It highlights how black American practical consciousness and the academic achievement gap are a product of capitalist forces relations of production and their ideological apparatuses As such it is argued here that to resolve the gap black Americans should be treated as immigrant students against their structurally differentiated identities Angus Green Series Books 1-3 Neil S Plakcy,2023-10-03 A twenty something gay FBI agent tackles his first big cases with heart and smarts Assigned to South Florida for his first posting Angus Green is worlds away from his hardscrabble upbringing in Scranton PA He has to cope with ethnic distinctions he s never considered a multitude of foreign languages spoken around him and a range of crimes and criminals that boggles his mind While investigating a jewelry heist with its roots in Fort Lauderdale s gay neighborhoods Angus must learn how to use his education his intelligence and his good looks without losing track of who he is and what he stands for The street quickly teaches him that the only way to face a challenge is to assume that he ll survive this one that it

It'll be the next one that will kill him In his second case Angus discovers that gay teens are being sexually abused by a pornographer in the same neighborhood where he lives and he has to bring his intelligence his determination and his unique insights to save these young men The case takes him from Fort Lauderdale's seamy underbelly to boisterous beachfront bars where big fish Russian emigres launder illegal cash He'll befriend a beautiful Russian American undercover agent and rekindle a romance with a man who makes him feel protected In the end he'll learn the truth of a saying he learned as a boy there is a price to pay for every decision we make Nobody rides for free In the third installment in the series Fort Lauderdale retiree Frank Sena is working with pawn shop owner Jesse Venable to retrieve a painting stolen from Frank's uncle a gay Venetian killed during the Holocaust Angus volunteers to help Frank and discovers Venable is the subject of a task force looking into smuggling immigrants out of war torn countries in the Middle East Angus who knows nothing about art and speaks no Italian may be in over his head as he is assigned to befriend and ultimately betray Venable But with the help of his Italian speaking brother and his art loving boyfriend he may be able not only to retrieve the painting but solve a smuggling case and potentially save thousands of lives The investigation will take him from the sun drenched rooftops of Venice to a private yacht speeding down Fort Lauderdale's New River Along the way he'll learn the true meaning of survival Kirkus Reviews says Plakcy's characters charm and Publishers Weekly writes readers will look forward to seeing a lot more of Angus
