**Social Media Homicide Confessions** Elizabeth Yardley,2017-09-20 The relationship between crime and social media has become an increasingly important topic in a networked world However the use of social media in relation to violent crime is little understood This unique book by an expert in the field addresses this gap by analysing what those involved in homicide do with social media Using three international cases in which perpetrators confessed to homicide on social media it investigates the practices of those involved providing a groundbreaking conceptual framework of use to criminologists It argues that such confessions convey important insights not only into the individual offender but also the social and cultural context of contemporary homicide

**Affirming God's Image** J. Alan Branch,2019-06-05 What is a knowledgeable faithfully biblical response to transgenderism In Affirming God's Image J Alan Branch takes a fair respectful and factual tone in addressing this complex issue through a biblical lens You'll learn Scientific research around the transgender experience An Overview of the history of transgenderism Important terminology surrounding gender issues Why people pursue gender reassignment surgery and what happens after How to navigate conversations around this topic The book ends with two practical chapters for families and churches giving you guiding principles for how to address this issue in a loving Christ honoring way The first step to responding well to any situation is understanding it Affirming God's Image equips you with the biblical scientific and practical knowledge you need for a wise response

**The True Story of Fake News** Mark Dice,2017-11-03 Is fake news being spread through social media as part of an information war Are political operatives publishing disinformation to smear the opposition and help their own agendas Who creates fake news how does it spread and can it be stopped What are the real world effects of fake news stories that go viral Did it affect the outcome of the 2016 presidential election Or is fake news a fake problem designed to justify tighter control over the mechanisms of sharing information online to drive audiences back to brand name media outlets because their audiences and influence are dwindling Media analyst Mark Dice takes a close look at the fake news phenomenon and the implications of mega corporations like Facebook Google and Twitter becoming the ultimate gatekeepers and distributors of news and information You will see the powerful and deceptive methods of manipulation that affect us all as numerous organizations and political activists cunningly plot to have their stories seen heard and believed by as many people as possible The depths of lies distortions and omissions from traditional mainstream media will shock you and now they're colluding with the top tech companies trying to maintain their information monopolies This is The True Story of Fake News

**Metanoia** Adam Ellwanger,2020-02-25 Western culture is in a moment when wholly new kinds of personal transformations are possible but authentic transformation requires both personal testimony and public recognition In this book Adam Ellwanger takes a distinctly rhetorical approach to analyzing how the personal and the public relate to an individual's transformation and develops a new vocabulary that enables a critical assessment of the concept of authenticity The concept of metanoia is central to this project Charting the history of metanoia

from its original use in the classical tradition to its adoption by early Christians as a term for religious conversion Ellwanger shows that metanoia involves a change within a person that results in a truer version of him or herself a change in character or ethos He then applies this theory to our contemporary moment finding that metanoia provides unique insight into modern forms of self transformation Drawing on ancient and medieval sources including Thucydides Plato Paul the Apostle and Augustine as well as contemporary discourses of self transformation such as the public testimonies of Caitlyn Jenner and Rachel Dolezal Ellwanger elucidates the role of language in signifying and authenticating identity Timely and original Ellwanger s study formulates a transhistorical theory of personal transformation that will be of interest to scholars working in social theory philosophy rhetoric and the history of Christianity *From Z to A*-Lister Jen Su,2015-10-25 Jen Su was told that she would never make it as a Chinese American in the South African broadcasting industry Today this TV and radio presenter is one of the most celebrated personalities on the social landscape with an incredibly strong personal brand built on reputation trust strength of character and social networking From Z to A Lister How To Build Your Personal Brand is an essential guide to developing and cultivating your unique persona by playing on your strengths and singular qualities Jen Su takes you through the South African social scene and shares the secrets that saw her go from Z to A in six different countries around the world Her tips on Asian graces social networking and finding the style that is best for you mixed in with anecdotes of the twists and turns in her personal life will be an inspiration to anyone who is aspiring to build and cultivate their personal brand and reputation Who is a True Christian?
