Comprehensive Dissertation Index ,1984 **Cue** ,1974 Promotion Standards and Curriculum Pacing Guide
Cincinnati Public Schools,1998 *Teacher Perception of Pacing Guide Use in the Secondary Classroom* Donna Michele
Smith Turner,2015 Historically teachers have exercised considerable autonomy in the day to day learning that occurs in their
classrooms Now it is growing increasingly rare for a teacher to experience this type of professional freedom In response to
high stakes testing national and state academic content standards and most recently the common core standards pacing
guides are one of the more recent devices schools are using to implement and monitor curriculum The purpose of this
research project is to investigate teacher opinion toward these pacing guides An online survey called the Pacing Guide
Survey was delivered to secondary regular and special education teachers in core subject areas of mathematics science
social studies and language arts The teachers were asked about whether or not they use pacing guides their attitude and
comfort level in using pacing guides as well as Information concerning the population of their high school such as
demographics enrollment and single or multiple high schools Building level factors such as professional development
initiatives methods of curriculum monitoring and pacing guide development and revisions processes teacher factors such as
years teaching years using pacing guides confidence in content area and educational background Administrators were also
interviewed to form a complete picture of pacing guide development and implementation in the secondary education
environment Quantitative data were analyzed using bivariate Spearman s rank order correlation and qualitative data were
analyzed using a combination of thematic data analysis and quasi statistical methods Recommendations based on the data
collected are Teachers should be provided with the flexibility to address student needs in the classroom Teacher input into
pacing guide development implementation and revision process is necessary to ensure that student needs are addressed
Team autonomy is key and teacher teams need to be provided with the necessary support structure to provide meaningful
learning experiences for their students Rowan County Pacing Guide ,2002 Rowan County Pacing Guide ,2007
