The Art of Connecting Claire Raines, Lara Ewing, 2006 As our workplaces and communities become more diverse in more ways it s more important than ever to focus not on what sets us apart but on what can bring us together Packed with refreshing perspectives and clear examples The Art of Connecting shows you how Jacket **The Man Who Would Not Shut Up** Marvin Kitman, 2013-10-22 Fair Balanced To some Bill O Reilly is a semi demented cable TV talk show host who can be an obnoxious insufferable opinionated rude loudmouth whose views the kinder ones say are typical right wing drivel But there is much more to O Reilly than what meets eye O Reilly is the paradigm of idiosyncrasy in television journalism On the rough road to the top O Reilly learned how to give the public what it wants and thinks it needs From his early education at the hands of nuns to an advanced degree in public policy from Harvard from working at local television stations and rising through the ranks to network news O Reilly spent nearly twenty five years learning his craft before he became an overnight star at Fox News In this very intimate look at the man and what matters to him veteran media critic Marvin Kitman explores all the experiences that led to the making of Bill O Reilly a nonconformist in a business that demands conformity as the price of success and a man who has risen to the top by not playing by the rules of broadcast news Kitman shows that O Reilly is not a knee jerk conservative but an independent freethinker with a mind of his own and he believes what journalism needs is more Bill O Reillys Not screamers the blowhards like the current O Reilly clones rushed on the air since his success but trained journalists reporting the news and telling us why in their opinion the world is a crazy place Supported by twenty nine interviews with O Reilly Marvin Kitman chronicles a descent from reporter of news to spewer of views **Culture Warrior** Bill O'Reilly, 2007-10-09 With three straight 1 bestsellers and more than 4 million copies of his books in print the most powerful traditional force in the American media now takes off his gloves in the ongoing struggle for America s heart and soul Bill O Reilly is the very embodiment of the idea of a Culture Warrior and in this book he lives up to the title brilliantly with all the brashness and forthrightness at his command He sees that America is in the midst of a fierce culture war between those who embrace traditional values and those who want to change America into a secular progressive country This is a conflict that differs in many ways from the usual liberal conservative divide but it is no less heated and the stakes are even higher In Culture Warrior Bill O Reilly defines this war and analyzes the competing philosophies of the traditionalist and secular progressive camps He examines why the nation s motto E Pluribus Unum From Many One might change to What About Me dissects the forces driving the secular progressive agenda in the media and behind the scenes including George Soros George Lakoff and the ACLU and dives into matters of race education and the war on terror He also shows how the culture war has played out in such high profile instances as The Passion of the Christ Fahrenheit 9 11 the abuse epidemic child and otherwise and the embattled place of religion in public life with special emphasis on the war against Christmas Whatever controversies are roiling the nation he fearlessly confronts them and no one will be in the dark about which side he

s on Culture Warrior showcases Bill O'Reilly at his most eloquent and impassioned. He is an unrelenting fighter for the soul of America and in this book he fights the good fight for the traditional values that have served this country so well for so long.

Kissing Bill O'Reilly, Roasting Miss Piggy Ken Tucker, 2007-04-01 According to Ken Tucker television is where the mass culture action really is. It's where the weasel goes pop. But for such a fluid of the moment democratic yet cool medium a strangling accretion of false pieties, half remembered history and misplaced nostalgia has grown up around it, the prose equivalent of choking vines. In this book Ken Tucker shares his zealous opinions about the best and worst of television past and present. Everyone has firm beliefs about what he loves and hates about TV. If TV fans think the high point of televised political wit was MASH or that Johnny Carson was the true king of late night, Ken Tucker does his damndest to convince them that they've been hoodwinked, duped by pixilated mists of memory and bad TV criticism. His dazzling provocative and entertaining pieces include LOVES James Garner as TV's Cary Grant, Pamela Anderson's breasts, David Brinkley, the only anchor who understood that being an anchor was a hollow ego trip, Heather Locklear as the ultimate TV Personality, Bill O'Reilly, why the biggest asshole on TV is a great TV personality. And from his HATE lists: The Sopranos as The Great Saga, That Sags, Miss Peggy as media star, Bob Newhart, Human Prozac, Worst Mothers on TV, Star Trek, Sci-Fi suckiness, decked out as utopian idealism. His perception and passion about this much maligned medium gives the lie to passive clichs like vegging out in front of the boob tube. This book is the TV version of Michael Moore's Stupid White Men or Bill O'Reilly's The No Spin Zone.
