## SYNTHEZIZING

I will synthesize information to create a new understanding.

Example: In the story, "The Cat in the Hat," the characters are very different. The father is a quiet, thoughtful man, while the mother is a more outgoing, fun-loving person. The father is more serious, while the mother is more playful. The father is more serious, while the mother is more playful.

Then I read... I have a new understanding of the text because I can now see the connections between the characters and the setting.
