Always A Dancer A Memoir:

Always a Dancer Robert Brassel, 2020-02-26 This is the story of a young boy who wants to be a professional dancer. Surmounting the inevitable obstacles of parental rejection and the advice of guidance counselors with stakes set against one starting training as late as seventeen he ventures to New York City in hopes of dancing in West Side Story. Instead he discovers his true love is Classical Ballet not Broadway. In his first year with the Joffrey Ballet he is drafted into the US Army. Changing from dance tights to M 16 rifles he encounters one of the more remarkable periods of his young life. Miraculously avoiding assignment in Vietnam he returns to the ballet career that then takes him to twenty five countries on five continents. Along the way he meets and marries his favorite ballerina Linda DeBona and together they dance the great classical repertoire on the world's stages meeting and working with many of the great names in music and dance. Upon becoming a father and changing careers he sees new opportunities. In his work as an insurance broker he is able to give back to his former profession in the form of creating a disability insurance product for dancers a first for the insurance industry and for the professional dance world. A new stage has been set this time with the audience across the table. Finally he finds his way back to dance by developing the health club industry's first adult ballet class. He is back in his element reminding one and all that he is first and Always a Dancer.

I Was a Dancer Jacques D'Amboise, 2011-03-01 Who am I? I'm a man, an American, a father, a teacher, but most of all I am a person who knows how the arts can change lives because they transformed mine. I was a dancer. In this rich, expansive, spirited memoir Jacques d'Amboise, one of America's most celebrated classical dancers and former principal dancer with the New York City Ballet for more than three decades, tells the extraordinary story of his life in dance and of America's most renowned and admired dance companies. He writes of his classical studies beginning at the age of eight at The School of American Ballet. At twelve he was asked to perform with Ballet Society; three years later he joined the New York City Ballet and made his European debut at London's Covent Garden. As George Balanchine's protégé, d'Amboise had more works choreographed on him by the supreme Ballet Master than any other dancer among them: Tchaikovsky's *Pas de Deux*, Episodes A, *Midsummer's Night's Dream*, *Jewels*, *Raymonda*, *Variations*. He writes of his boyhood born Joseph Ahearn in Dedham, Massachusetts, his mother the Boss moving the family to New York City's Washington Heights, dragging her son and daughter to ballet class, paying the teacher 75¢ from hats she made and sold on street corners and with chickens she cooked stuffed with chestnuts, his mother changing the family name from Ahearn to her maiden name, d'Amboise. It's aristocratic. It has the d' apostrophe. It sounds better for the ballet and it's a better name. We see him, a neighborhood tough in Catholic schools, being taught by the nuns on the streets, fighting with neighborhood gangs and taking ten classes a week at the School of American Ballet, being taught professional class by Balanchine and by other teachers of great legend: Anatole Oboukhoff, premier danseur of the Maryinsky, and Pierre Vladimiroff, Pavlova's partner. D'Amboise writes about Balanchine's succession of ballerina muses who inspired him to near obsessive passion and led him to create extraordinary ballets, dancers.

with whom d Amboise partnered Maria Tallchief Tanaquil LeClerc a stick skinny teenager who blossomed into an exquisite witty sophisticated angel with her long limbs and dramatic mysterious elegance the iridescent Allegra Kent Melissa Hayden Suzanne Farrell who Balanchine called his alabaster princess her every fiber every movement imbued with passion and energy Kay Mazzo Kyra Nichols She s perfect Balanchine said Uncomplicated like fresh water and Karin von Aroldingen to whom Balanchine left most of his ballets D Amboise writes about dancing with and courting one of the company s members who became his wife for fifty three years and the four children they had On going to Hollywood to make Seven Brides for Seven Brothers and being offered a long term contract at MGM If you re not careful Balanchine warned you will have sold your soul for seven years On Jerome Robbins Jerry could be charming and complimentary and then five minutes later attack and crush your spirit all to see how it would influence the dance movements D Amboise writes of the moment when he realizes his dancing career is over and he begins a new life and new dream teaching children all over the world about the arts through the magic of dance A riveting magical book as transformative as dancing itself James Cooper, a Memoir Henry Johnstone Wotherspoon,1926 **Memoir Series of the American Anthropological Association** ,1942 The Collected Works of Dugald Stewart: Biographical memoirs of Adam Smith, William Robertson, Thomas Reid.
