Online Income Formula Raymond Wayne, 2018-05-16 Online Income Formula Passive income We all want it We all crave it We all want to make money But how can you actually make passive income this year Earning steady passive income is a pipe dream for many people but that dream isn't easily achievable for most of the people Having been forecasted to reach 6.8 billion by 2020 affiliate marketing is a rapidly growing channel In previous years Amazon.com's revenue surpassed 100B Likely its affiliates generated at least 10B of it And besides there are no limits to making more money even if you have a full time job or not from the web today There are people around the world that work on sites like Fiverr as affiliates with different programs of Amazon as ghostwriters flipping websites online dropshipping selling stuff on ebay etsy shopify and so many other online jobs Having a 9 to 5 job sounds so much better than being unemployed But being stuck in a job that you don't really love and more than likely won't make you rich is the worse Unfortunately we're all here trying to win the unbeatable rat race with regular jobs To finally become financially free you have to find ways to earn passive online income Before we dive in further let's take a look at some facts Retail e-commerce is a 220 billion dollar market in the U.S. alone and is growing by nearly 17% a year eCommerce Drop Shipping Standards By 2019 it is estimated that there will be 224 million digital shoppers in the United States alone Affiliate network participation from content publishers soar 175% and sales revenue driven by content publishers have risen 240% In previous years Amazon.com revenue surpassed 100B Likely its affiliates generated at least 10B of it Over 50% of top affiliate programs fall into 4 categories Fashion Sports Health Beauty and Travel Shareasale affiliate network has more than 1 000 000 affiliate accounts registered In most affiliate programs less than 10% of affiliates drive 90% of traffic and conversions 38% of marketers call affiliate marketing one of the top customer acquisition methods Influencers receive a 1-10% commission for affiliate marketing with Amazon The fourth annual study estimates that 57.3 million Americans are freelancing 36 percent of the U.S. workforce and contribute approximately 1.4 trillion annually to the economy an increase of almost 30% since last year 22.33% of Internet retailers have adopted drop shipping as their primary method of order fulfillment E.DSS.org By choosing the right sources of passive income you can invest your time the way that you want to instead of the way you have been spending it Passive income is a way of buying back more time The truth is that making money online isn't as difficult as most make it out to seem It does require some discipline and sound knowledge base though We have put together all the resources you need to help you succeed in setting up online income streams and are already very popular on the web In this high impact Training Guide we'll walk you through the most successful ideas to make money online and set them up step by step And we'll give you everything you need to pick up those engaged and loyal subscribers

The Platform Delusion Jonathan A. Knee, 2021-09-07 An investment banker and professor explains what really drives success in the tech economy Many think that they understand the secrets to the success of the biggest tech companies Facebook Amazon Apple Netflix and Google It's the platform economy or network effects or

some other magical power that makes their ultimate world domination inevitable Investment banker and professor Jonathan Knee argues that the truth is much more complicated but entrepreneurs and investors can understand what makes the giants work and learn the keys to lasting success in the digital economy Knee explains what really makes the biggest tech companies work a surprisingly disparate portfolio of structural advantages buttressed by shrewd acquisitions strong management lax regulation and often encouraging the myth that they are invincible to discourage competitors By offering fresh insights into the true sources of strength and very real vulnerabilities of these companies The Platform Delusion shows how investors existing businesses and startups might value them compete with them and imitate them The Platform Delusion demystifies the success of the biggest digital companies in sectors from retail to media to software to hardware offering readers what those companies don t want everyone else to know Knee s insights are invaluable for entrepreneurs and investors in digital businesses seeking to understand what drives resilience and profitability for the long term
