Words. Sounds. Images Amit Khanna, 2019-12-31 Ambitious and encyclopaedic in scope, this is a first of its kind book that presents the history of media and entertainment in India from the times of the Indus Valley Civilization right up to the twenty-first century. The book starts with an examination of the origins, looking at a wide array of aspects such as the state of entertainment during Harappan and Vedic times, including details from the *Natyashastra*, the early drama, music and dance of Kalidasa, the development of ragas, musical instruments and early folk traditions, the genesis of classical dance forms, developments through the ages, including in the Mughal period, in the southern kingdoms, in the north-east and under the Marathas and the British. Independence onwards, the book takes a decade-wise look at the evolution of newspapers, cinema, music, television, dance, theatre and radio. The author himself, a film producer, director and lyricist who has worked in the entertainment industry all his life, brings his unique perspective to bear on the subject. This pioneering work is a must-read not just for the students and practitioners of the arts and media but also for their lay consumers.

Management Case Study: Amazon. Analysis and Decision Making Ricardo Escoda, 2018-05-17 Case study from the year 2018 in the subject Business Economics, General grade 1-7. International School of Management Campus Munich. Language: English. Abstract: As the number of publications referring to Amazon increased formidably during the last years, it is a highly discussed retail brand which is becoming more and more important. In July 2016, the UK trade marketing association DMA1 published a study showing Amazon as favorite retail brand amongst competitors like John Lewis, Marks Spencer, eBay and ASOS. Every fourth of the 1000 participants voted for Amazon, even though they were not given a shortlist with answers but an empty text box to fill in their favorable retail brand. This paper deals with

aspects referring to the research fields Advanced Strategic Management Business Development and International Business Game At the end of each part a summary with the most fundamental information helps to build a broad overview
