

# France Since The Revolution

**Dylan Rees, Duncan Townson**

## **France Since The Revolution:**

**France Since the Revolution** Alfred Cobban, 1970      **France Since the Revolution** Claire Gorrara, Rachael Langford, 2003-01 France since the Revolution Texts and Contexts introduces students to modern France by exploring the emergence and development of France's five Republics and the values and ideals of French republicanism. Starting with the events of the French Revolution of 1789, each of the chapters in the book focuses on a flashpoint in French history: the Revolution of 1848, the Paris Commune of 1870, the Dreyfus affair of the 1890s, the First and Second World Wars, the Brazzaville conference of 1944, May 1968, and the campaign for political parity for women in the 1990s. Written by specialists from a range of disciplines including history, cultural studies, politics, and French area studies, these chapters address a series of contexts providing an overview of events and a critical interpretation of how such upheavals have affected the history of France's Republics. Questions of gender, race, and class are pivotal to such analyses. Complementing this emphasis on contexts are a number of texts available in French and English that give a flavour of how individual French men and women experienced their times. As an introductory book for undergraduates, France since the Revolution does not assume extensive previous knowledge and contains a complete glossary of the key names used in chapters, as well as a time line for reference and suggestions for further reading. An important resource for students and teachers alike, this accessible book gives its readers a firm base in nineteenth and twentieth century French history and culture from which to develop more specialized interests.      *France in Revolution, 1776-1830* Sally Waller, 2002 The AS/A2 History series that everyone's talking about.

**Access to History: France in Revolution 4th Edition** Duncan Townson, Dylan Rees, 2008-05-30 The Access to History series is the most popular and trusted series for AS and A level history students. The new editions combine all the strengths of this well-loved series with a new design and features that allow all students access to the content and study skills needed to achieve exam success. This is a new edition of France in Revolution and has been fully updated and extended to cover the 2008 AS and A2 specifications for all examination boards. This title charts the long and short term causes of the French Revolution, the political, social, and economic impact of the Revolution itself, and the establishment of the Terror. There is also an additional chapter on Napoleonic rule in France from 1799-1815. Throughout the book, key dates, terms, and issues are highlighted, and historical interpretations of key debates are outlined. Summary diagrams are included to consolidate knowledge and understanding of the period, and exam-style questions and tips written by examiners for each examination board provide the opportunity to develop exam skills.      **France After Revolution** Denise Z. Davidson, 2007-04-30 Davidson provides a reevaluation of prevailing views on the effects of the French Revolution and particularly on the role of women. Arguing against the idea that women were forced from the public realm of political discussion, Davidson demonstrates how women remained highly visible and active.      [The History of Modern France](#) Jonathan Fenby, 2015-07-02 With the defeat of Napoleon Bonaparte at the Battle of Waterloo in June 1815, the next two centuries for France would be tumultuous.

Bestselling historian and political commentator Jonathan Fenby provides an expert and riveting journey through this period as he recounts and analyses the extraordinary sequence of events of this period from the end of the First Revolution through two others a return of Empire three catastrophic wars with Germany periods of stability and hope interspersed with years of uncertainty and high tensions As her cross Channel neighbour Great Britain would equally suffer France was to undergo the wrenching loss of colonies in the post Second World War as the new modern world we know today took shape Her attempts to become the leader of the European union is a constant struggle as was her lack of support for America in the two Gulf Wars of the past twenty years Alongside this came huge social changes and cultural landmarks but also fundamental questioning of what this nation which considers itself exceptional really stood and stands for That saga and those questions permeate the France of today now with an implacable enemy to face in the form of Islamic extremism which so bloodily announced itself this year in Paris Fenby will detail every event every struggle and every outcome across this expanse of 200 years It will prove to be the definitive guide to understanding France

**The Road to 1789** Nora Temple,1992 The subject of the origins of the French Revolution is one of the most important and controversial themes in European history This fresh critical appraisal begins with a masterly exposition and assessment of recent scholarly debate on the subject followed by a lucid analysis supported by documentary evidence of the multiple stresses which undermined the Old Regime The author concludes that a revolution was unavoidable because the Old Regime was incapable of reforming fundamental defects in its political structures but it was the contingent circumstances of 1788 9 that made the Revolution unexpectedly radical

**Access to History: France in Revolution 1774-1815 Sixth Edition** Dylan Rees,Duncan Townson,2019-07-08 Exam board AQA Pearson Edexcel OCR Level AS A level Subject History First teaching September 2015 First exams Summer 2016 AS Summer 2017 A level Put your trust in the textbook series that has given thousands of A level History students deeper knowledge and better grades for over 30 years Updated to meet the demands of today s A level specifications this new generation of Access to History titles includes accurate exam guidance based on examiners reports free online activity worksheets and contextual information that underpins students understanding of the period Develop strong historical knowledge in depth analysis of each topic is both authoritative and accessible Build historical skills and understanding downloadable activity worksheets can be used independently by students or edited by teachers for classwork and homework Learn remember and connect important events and people an introduction to the period summary diagrams timelines and links to additional online resources support lessons revision and coursework Achieve exam success practical advice matched to the requirements of your A level specification incorporates the lessons learnt from previous exams Engage with sources interpretations and the latest historical research students will evaluate a rich collection of visual and written materials plus key debates that examine the views of different historians

France in Revolution Dylan Rees,Duncan Townson,2001 This second edition provides an updated narrative and analysis of one of modern Europe s most important and dramatic events

The author examines the causes course and impact of the French Revolution from its onset through to the overthrow of Napoleon Starting with the ancien regime the text covers the events that led to the outbreak of the revolution in 1789 the rise of the republican movement the Terror and the Thermidorian reaction Coverage of the impact of the Revolution on France and the rest of Europe has been fully updated to take into account recent research The title also considers the latest historical interpretations of French Revolution The updated study guides provide a firm basis for answering source based and essay questions

France in Revolution, 1848 Anthony Denholm,1972      **France in the American Revolution** James Breck Perkins,1911      **The French Revolutionary Epoch** Henri Van Laun,1879      **Words of Fire, Deeds of Blood: France in Revolution** Olivier Bernier,2018-11-02 This book is a unique history of the French Revolution a colorful insightful and impassioned recounting of the events that signaled the birth of modern France and indeed the modern world In the space of just a few years King Louis XVI and Marie Antoinette descended from immense popularity and unquestionable power to a place on the scaffold Beginning with the storming of the Bastille the government of France went from oligarchy to near anarchy and finally to the formation of a republic Along the way the names of the major players from Marat and Robespierre to Talleyrand and Mirabeau were etched into the history of France as well as the rest of the world Award winning historian and biographer Olivier Bernier has turned to primary sources including the correspondence of Marie Antoinette the journals of the governess of the royal children eyewitness accounts and newspapers and journals of the time to make sense of the rapid and profound change the Revolution incited Words of Fire Deeds of Blood is a stirring account of one of the most fascinating and significant periods in history

A Popular History of France from the First Revolution to the Present Time: 1832-1881 Henri Martin,1882      History of the French Revolution from 1789 to 1814 M. Mignet,2022-09-16 M Mignet s History of the French Revolution from 1789 to 1814 presents a meticulously researched account of a pivotal era in global history Employing a narrative style that blends rigorous scholarship with vivid storytelling Mignet captures the tumultuous events leading up to and following the fall of the Bastille His analysis informed by contemporary political thought and primary sources provides critical insights into the ideological transformations that shaped modern France This work steeped in the Enlightenment ideals of liberty and fraternity reflects the socio political upheavals of the Revolution and its enduring impact on the concept of democracy Mignet a prominent French historian and journalist of the 19th century was deeply influenced by the revolutionary fervor of his times His experiences living through the political fluctuations of post revolutionary France as well as his interactions with key figures of the day enriched his understanding of the complexities of revolutionary movements These insights inform Mignet s approach as he artfully navigates the interplay between historical events and the human experiences behind them This groundbreaking work is essential for scholars and enthusiasts alike offering a comprehensive overview of the French Revolution that remains relevant to contemporary discussions about revolution and governance Mignet s engrossing narrative not only educates but also compels readers to reflect on the

enduring significance of the Revolution's legacy in shaping modern socio-political landscapes

**The Army of the French Revolution** Jean Paul Bertaud, 2019-02-19 Jean Paul Bertaud is the leading French authority on the army of the French Revolution and *La Revolution armee* is the authoritative treatment of the first great national patriotic revolutionary and mass army engaged in what has been called the first total war that between revolutionary France and the other European powers. The book is a successful attempt to integrate military history with social and political history and thereby to depict the army as a school for the republic that by subtle changes after 1795 made way for the Napoleonic regime. The distinguished historian R. R. Palmer presents the first translation of this work into English in a volume that will quickly become indispensable for French historians, historical sociologists and political scientists interested in armies and revolutions. The theme of the book is suggested by its French title *the Revolution armed*. That is the book is primarily about the Revolution and specifically the Revolution in its relation to armed force. This revolution and this army activated the idea of the citizen soldier exemplified by the ancient classical republics and favored by Jean-Jacques Rousseau and other eighteenth-century thinkers but never before realized on so large and portentous a scale as in France in the 1790s. Jean Paul Bertaud is Professor of Modern History at the University of Paris I the Sorbonne. He has published widely in France on aspects of the French Revolution. R. R. Palmer is Professor Emeritus at Yale University and author of numerous books including the two-volume *The Age of the Democratic Revolution* 1959 and 1964, *Twelve Who Ruled* 1941 and *The Improvement of Humanity: Education and the French Revolution* 1985, all published by Princeton University Press. He has translated many works from the French, most recently *The Two Tocquevilles: Father and Son* Herve and Alexis de Tocqueville on the Coming of the French Revolution, Princeton 1987. Originally published in 1988, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**France and the Age of Revolution** William Doyle, 2013-05-30 From the turmoil and tragedy of the French Revolution to the rise and fall of the enigmatic figure of Napoleon Bonaparte, the history of France between 1789 and 1815 is one of the most enduringly fascinating and widely studied periods of history. In this volume the renowned historian William Doyle provides a new perspective on several key themes within the history of this period, from the world of the Ancien Regime to the Battle of Waterloo. He sheds new light on the causes of the French Revolution and the impact of the revolution outside France. In taking a fresh look at the Napoleonic Empire, he considers the influences on Napoleon's leadership decisions and the machinations of his court. Written by one of the leading historians of Revolutionary France, this book will be essential reading for anyone interested in the French Revolution and Napoleonic Europe.

## France Since The Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download France Since The Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download France Since The Revolution has opened up a world of possibilities. Downloading France Since The Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading France Since The Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download France Since The Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading France Since The Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading France Since The Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download France Since The Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About France Since The Revolution Books

1. Where can I buy France Since The Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
