Apocalypse The For Our Times:

Apocalypse Fr. Albert Shamon, Rev Albert Joseph Mary Shamon, 1996 The final book of the Bible Revelation has been somewhat of a puzzle to many of us. In fact it has been a source of consternation down through the centuries evoking countless interpretations and just as many misinterpretations. The Apocalypse has always seemed to denote something terrible an evil a devastating destruction. And what of all that symbolism? *Epic Ambitions in Modern Times* Robert Crossley, 2022-08-16 Epic Ambitions in Modern Times explores how artists in varied genres and media have aimed for in Milton's phrase things unattempted yet in epic creation. Starting with the last books of Paradise Lost as a farewell to the ancient tradition of epic and extending to an assessment of four twenty-first century women writers retelling canonical epics in the voices of marginalized characters the book's intervening chapters consider epic in the forms of an epistolary novel a work of history a poetic autobiography an opera a silent film a series of paintings two literary fantasies three poems set in the future and a play.
