Appeals Communism Princeton Legacy Library:

Appeals of Communism Gabriel Abraham Almond, 2015-12-08 This study based on an extensive program of interviewing former American British French and Italian Communists provides many answers to these questions and gives a convincing insight into the motivations tensions and loyalties of Party members First the book examines Communist literature the Lenin and Stalin classics and current Party media to see what the Communists themselves expect of their movement Then it shows whether this ideal is realized by the people who have been through it The final sections which follow the interviews closely reveal what actually happens to people when they join while they are in the Party and after they leave Originally published in 1954 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Appeals of Communism Gabriel Abraham Almond, 2019-03-25 This study based on an extensive program of interviewing former American British French and Italian Communists provides many answers to these questions and gives a convincing insight into the motivations tensions and loyalties of Party members First the book examines Communist literature the Lenin and Stalin classics and current Party media to see what the Communists themselves expect of their movement Then it shows whether this ideal is realized by the people who have been through it The final sections which follow the interviews closely reveal what actually happens to people when they join while they are in the Party and after they leave Originally published in 2050 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Cultural Cold Wars and UNESCO in the Twentieth Century W. John Morgan, 2024-09-30 Cultural Cold Wars and UNESCO in the Twentieth Century addresses the now considerable interest in the concept of cultural cold war as a means of advancing ideologies The book charts the development of the concept in the twentieth century Structured in two parts Part I considers the League of Nations idealist attempts at international intellectual cooperation It discusses also the first cultural cold war with the Communist International s attempts to advance communism It also analyses the ideological and cultural appeal of Italian fascism German national socialism and Japanese nationalist militarism and the transition from a wartime alliance to a new cold war Part II examines the renewal of international intellectual co operation through the United Nations Educational Scientific and Cultural Organization UNESCO in the context of a second cultural cold war between the capitalist democracies

and the communist bloc The book shows that UNESCO became a site of this ideological competition and an example of its tensions Based on original research and a comprehensive review of the literature including in Russian German and French the book will appeal to academics postgraduate researchers advanced undergraduates and others interested in recent international history and the comparative politics of ideas **The Junior College Library Collection**, 1970 *The Junior College Library Collection* Frank J. Bertalan, 1968 *An Appeal for Justice* John F. Wukovits, 2011-11-14 In 1931 nine African American teens were accused of raping two white women on a train traveling between Chattanooga and Memphis During the first trial in Scottsboro all of the defendants were tried convicted and sentenced to death despite medical evidence supporting their innocence Subsequent appeals of this verdict turned the Scottsboro case into a high profile example of the injustices that the African American community experienced at the hands of the American judicial system This informative edition takes a critical look at the story of the Scottsboro Boys and the controversial train ride that sparked outrage across the nation **The appeals of communism** Gabriel A. Almond, 1956 **Books for College Libraries** Melvin John Voigt, Joseph H. Treyz, 1967 **Subject Catalog of the Institute of Governmental Studies Library, University of California, Berkeley** University of California, Berkeley. Institute of Governmental Studies. Library, 1970 [Return to Ruin](#) Zainab Saleh, 2020-10-06 This volume of exiles accounts uses the stories as springboards to discussing Iraqi history politicization and diasporic experiences in depth International Journal of Middle East Studies With the U S invasion of Iraq Iraqis abroad hoping to return one day to a better Iraq became uncertain exiles Return to Ruin tells the human story of this exile in the context of decades of U S imperial interests in Iraq from the U S backing of the 1963 Ba th coup and support of Saddam Hussein s regime in the 1980s to the 1991 Gulf War and 2003 invasion and occupation Zainab Saleh shares the experiences of Iraqis she met over fourteen years of fieldwork in Iraqi London offering stories from an aging communist nostalgic for the streets she marched since childhood a devout Shi i dreaming of holy cities and family graves and newly uprooted immigrants with fresh memories of loss as well as her own Focusing on debates among Iraqi exiles about what it means to be an Iraqi after years of displacement Saleh weaves a narrative that draws attention to a once dominant vibrant Iraqi cultural landscape and social and political shifts among the diaspora after decades of authoritarianism war and occupation in Iraq Through it all this book illuminates how Iraqis continue to fashion a sense of belonging and imagine a future built on the shards of these shattered memories *Sidney Hook*, 1989 This first bibliography of the works of Sidney Hook includes his writings from 1922 to the present Covering 66 years and citing well over eleven hundred Hook items this book is an indispensable starting point for scholarly study of any facet of Hook s controversial career The books parts of books articles reviews and published letters are arranged chronologically by date of first publication This bibliography includes not only works by Hook but also replies to his writings as well as comments to which he has responded revealing the extent to which Hook becomes involved in a wide range of topics **Anti-Colonialism and the Crises of Interwar**

Fascism Michael Ortiz, 2023-01-12 What is fascism Is it an anomaly in the history of modern Europe Or its culmination In Anti Colonialism and the Crises of Interwar Fascism Michael Ortiz makes the case that fascism should be understood in part as an imperial phenomenon He contends that the Age of Appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires Historians have long debated the extent to which Western imperialisms served as ideological and intellectual precursors to European fascisms To date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into Africa Asia and the Americas While effective such approaches tend to ignore the ways in which these places and their inhabitants understood European fascisms Addressing this imbalance Anti Colonialism adopts an outside in approach that analyses fascist expansion from the perspective of Indian anti colonialists such as Jawaharlal Nehru Subhas Bose and Mohandas Gandhi Seen from India the crises of Interwar fascism the Second Italo Ethiopian War Spanish Civil War Second Sino Japanese War Munich Agreement and the outbreak of the Second World War were yet another eruption of imperial expansion analogous although not identical to the Scramble for Africa and the Treaty of Versailles Whether fascist democratic or imperialist Europe s great powers collectively negotiated the fate of smaller nations

The New Cambridge History of American Foreign Relations William Earl Weeks, Walter LaFeber, Akira Iriye, Warren I. Cohen, 2013-05-13 This book explores the conditions of international relations from the end of WWII to the present focusing on the American determination to provide world leadership **Subject Catalog** University of California, Berkeley. Institute of Governmental Studies, 1970 *Fascism in America* Gavriel D. Rosenfeld, Janet Ward, 2023-09-14 Has fascism arrived in America In this pioneering book Gavriel D Rosenfeld and Janet Ward have gathered experts to survey the history of fascism in the United States Although the US established a staunch anti fascist reputation by defeating the Axis powers in World War II the unsettling truth is that fascist ideas have long been present within American society Since the election of Donald Trump as President in 2016 scholars have debated whether Trumpism should be seen as an outgrowth of American conservatism or of a darker and potentially fascist tradition Fascism in America contributes to this debate by examining the activities of interwar right wing groups like the Silver Shirts the KKK and the America First movement as well as the post war rise of Black antifascism and white vigilantism the representation of American Nazis in popular culture and policy options for combating right wing extremism **The Kennedys: America's Emerald Kings** Thomas Maier, 2009-03-25 Meticulously researched both here and abroad The Kennedys examines the Kennedy s as exemplars of the Irish Catholic experience Beginning with Patrick Kennedy s arrival in the Brahmin world of Boston in 1848 Maier delves into the deeper currents of the often spectacular Kennedy story and the ways in which their immigrant background shaped their values and in turn twentieth century America for over five generations As the first and only Roman Catholic ever elected to high national office in this country JFK s pioneering campaign for president rested on a tradition of navigating a cultural divide that began

when Joseph Kennedy shed the brogues of the old country in order to get ahead on Wall Street Whether studied exercise in cultural self denial or sheer pragmatism their movements mirror that of countless of other albeit less storied American families But as much as the Kennedys distanced themselves from their religion and ethnic heritage on the public stage Maier shows how Irish Catholicism informed many of their most well known political decisions and stances From their support of civil rights to Joe Kennedy s tight relationship with Pope Pius XII and FDR the impact of their personal family history on the national scene is without question and makes for an immensely compelling narrative Bringing together extensive new research in both Ireland and the United States several exclusive interviews as well as his own perspective as an Irish American Maier s original approach to the Kennedy era brilliantly illustrates the defining role of the immigrant experience for the country s foremost political dynasty

The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University Hoover Institution on War, Revolution, and Peace,1969 Library Journal ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Library Journal Book Review, 1979** Jaques Cattell Press,1980-03 Communism and Revolution Cyril E. Black,2016-04-19 In a period marked by growing fluidity between the West and the Communist nations the role of revolution as an instrument of political and social change takes on an intense possibly dangerous importance Owing to the unacceptable risks of international war revolutions in the less developed countries are increasingly taking the place of war as the main arena of great power conflict Thus the attitudes and policies of the Communist countries toward revolution are of vital concern In this book thirteen specialists on Communist affairs consider how the Communists have used revolutions in the past what they have deduced from their experience and what prospects they hold for revolution in light of their ideological commitments Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Getting the books **Appeals Communism Princeton Legacy Library** now is not type of challenging means.
