safety and health hazards in the workplace. This newly updated edition examines the requirements of Code of Federal Regulations Title 29 Part 1904 and explains in clear terms what your responsibilities are and how to fulfill them. You'll learn how to determine if an injury or illness is recordable, which recordkeeping forms to use and how to complete them, and how to calculate an injury and illness incidence rate. You'll also gain a clearer understanding of who is subject to OSHA recordkeeping and how OSHA enforces the recordkeeping rule. The author includes a list of frequently asked questions and a glossary of recordkeeping terms.

**Employment Law** Benjamin W. Wolkinson, 2008

Employment Law 2nd edition examines the relevant statutes, judicial decisions, executive orders, and administrative policies that shape the respective rights of managers and workers at the workplace. It goes well beyond simply stating what is legal and what is illegal, assuming that the student or professional needs to understand the principles underlying the law so that he or she can evaluate an organization's decisions against those principles. A practical but rigorous guide to US employment law, thoroughly updated for this second edition. Includes wide use of case material and administrative regulation, including new cases illustrating the continued application of disparate treatment and disparate impact analysis, and more current examples of grooming. Each chapter covers historical social and economic factors giving rise to government intervention in employment relationship, evaluates relevant law policy, discusses basic legal principles, and considers how law affects HR management. Includes new material on gender and leave issues in employment, EEO classifications, employment of the handicapped, courts and affirmative action, employer involvement in employee non-work activities, drug testing and the law, and inclusion of recent legal doctrine. Oriented both to students taking a course in employment law and to human resources professionals who need to deal daily with matters that have legal significance.
