**Apostolic Leadership Training Manual** FFM Publishing, 2005

**The Apostolic Training Manual** Shaolin Mb Abrams, Sr, 2020-08-09 Defining apostolos is not difficult Its usage in the Bible and elsewhere however causes a measure of confusion Apostolos means a delegate envoy agent ambassador or representative and indicates one sent with a special message or commission The commission's duration may be limited to a specific errand or last a lifetime In John 13:16 the phrase translated he who is sent is the word apostolos The word translated messengers in II Corinthians 8:23 is also apostolos clearly used in the sense of delegates Some Bibles margins suggest sent ones in defining these messengers The Jews according to both Unger's Dictionary of the Bible and the Interpreter's Dictionary of the Bible article Apostle called the person who collected the annual half shekel temple tax an apostle A Roman named Theodosian writing in Greek referred to ordained emissaries from Jerusalem synagogues as apostles These emissaries generally collected taxes for the support of the rabbinate The rabbinic term for such agents was shaliah They might represent individuals or corporate bodies such as courts and synagogues their duties depending upon the terms of their commission to serve legal documents collect monies or convey instructions particularly concerning the calendar and festivals In the synagogue the shaliah might lead the congregation in prayer The rabbinic principle was a man's shaliah agent representative is like himself If the shaliah apostle followed his instructions his actions identified the one who authorized and sent him An apostle is the direct representative of the one who sent him Scholars believe this is the model from which Jesus and the apostles derived their usage However there is an important difference The Christian usage is totally religious institutional and missionary in its character The Jewish usage was with precisely defined authority for a limited term and almost totally nonreligious though an Apostle may have been commissioned by a synagogue In Hebrews 3:1-2 we are asked to consider the Apostle and High Priest of our confession Christ Jesus who was faithful to Him who appointed Him In John 5:36 Jesus states The very works that I do bear witness of Me that the Father has sent Me Jesus fulfilled His commission so

completely that He could state in John 14:9 He who has seen Me has seen the Father Jesus the One appointed and sent by the Father is the pattern of the New Testament apostle Jesus repeated the Jewish model when He ordained twelve and sent them out representing Him In John 20:21 He says Peace to you As the Father has sent Me I also send you They thus were Christ's apostles This process began early in His ministry Mark 3:14-15 Then He appointed twelve that they might be with Him and that He might send them out to preach and to have power to heal sicknesses and to cast out demons Add to this a principle stated by Jesus to the Twelve in Mark 9:37 Whoever receives one of these little children in My name receives Me and whoever receives Me receives not Me but Him who sent Me He implies that those sent are especially chosen by the divine will for their mission bearing His authority Other men are specifically designated as apostles in Acts but undoubtedly the Twelve are in a unique category Peter describes them in Acts 1:21-22 Therefore of these men who have accompanied us all the time that the LORD Jesus went in and out among us beginning from the baptism of John to that day when He was taken up from us one of these must become a witness with us of His resurrection No other Apostle not Paul nor the LORD's brothers James and Jude nor Barnabas can meet this description Paul calls himself one born out of due time while specifying apostles 1 Corinthians 15:8 Then last of all He was seen by me also as by one born out of due time

GICMP College of Apostleship Training Manual Dwann Holmes, 2022-09-28 Are You Called To Apostleship But You Know You Need More Clarity Is God Calling You And Your Church To A New Era of Apostleship Need Better Understanding of What Apostleship Looks Like In The Marketplace If you answered yes to any of these questions you are in the right place There is a real difference between an Apostolic Prophet and An Apostle Just as there is a real difference between a Pastor and one who embraces the mantle of Apostleship However if you're not careful you can move forward in confusion and many times not even recognize it Though the DNA of Apostleship is quite evident in the fruit of your mantle for many who never take the time to truly get an UNDERSTANDING it can be more than overwhelming This MANUAL was developed to accompany the GICMP College of Apostleship intensive developed to help put you in the right perspective of what Apostleship is and isn't especially in this 21st century You will walk through the word You will walk through your call You will walk through your mandate You will hear from others just like you and some who sound NOTHING like you at all That's the beauty of apostleship and the Kingdom This MANUAL will help you sort it all out and point you in the right direction as you are processing through what God is doing in your life
