Activism Aid Experience Development Democracy:

Global Responses to AIDS Cristiana Bastos, 1999-11-22 a coherent and fascinating social analysis of AIDS related knowledge examining the social facts of knowledge production and developments interior to communities of science Medical Humanities Review a multilayered composite approach that involves multisited ethnographic research in different spheres of the collective responses to AIDS Choice The response to AIDS from various groups in developing knowledge of and about this health crisis is the focus of this revealing work Rio de Janeiro serves as an observation point for the study of the intersecting worlds of activism clinical practice and biomedical research Activists in Transition Thushara Dibley, Michele Ford, 2019-12-15 Activists in Transition examines the relationship between social movements and democratization in Indonesia Collectively progressive social movements have played a critical role over in ensuring that different groups of citizens can engage directly in and benefit from the political process in a way that was not possible under authoritarianism However their individual roles have been different with some playing a decisive role in the destabilization of the regime and others serving as bell weathers of the advancement or otherwise of Indonesia s democracy in the decades since Equally important democratization has affected social movements differently depending on the form taken by each movement during the New Order period The book assesses the contribution that nine progressive social movements have made to the democratization of Indonesia since the late 1980s and how in turn each of those movements has been influenced by democratization , **De Gruyter Handbook of Youth Activism** Cihan Erdal, Jacqueline Kennelly, 2025-12-29 This is the first handbook to focus exclusively on youth activism to outline the current state of research and identify promising emerging areas and to forecast what new developments one might anticipate in the future It provides a comprehensive introduction to theoretical and methodological approaches as well as insights into the directions of both the scholarly field and the phenomenon of youth activism itself within the context of global power relations Youth political socialization civic engagement and citizenship attributes have frequently been highlighted as arenas of global concern often by pundits and politicians declaiming the supposed democratic deficit amongst more recent generations Youth activism scholarship has often engaged with these debates providing critical responses to more mainstream analyses of young people as apathetic apolitical or unconcerned about the society in which they live In its place youth activism scholarship provides more nuanced accounts of the possibilities and potentials for meaningful youth engagement in political social change and conversely the barriers and proscriptions that prevent some young people from taking up a place within the polity **Core Activists, Ideas, and the Development of Citizen Activism in Postwar Japan** Simon Andrew Avenell, 2003 Aid, Institutions and Development Ashok Chakravarti, 2005 In spite of massive flows over the past 50 years aid has failed to have any significant impact on development This text presents a careful examination of recent foreign aid initiatives and approaches *Varieties of Activist Experience* David Gellner, 2010-08-06 This book examines in rich detail the lives struggles and strategies of South

Asian activists seeking to advance various political social and environmental causes Through a series of case studies from Bangladesh India Nepal and Sri Lanka on activists efforts it elucidates how they mediate between different spheres that are often and sometimes legally kept apart the political and the legal the economic and the political the local and the international The uniqueness of this book lies in its treatment of civil society as a process brought into being by the actions of specific individuals whose struggles and experiences can profitably be examined for understanding everyday politics

Community Development (second Edition) Ledwith, Margaret, 2011-04-27 This updated and expanded second edition of a bestselling text develops critiques of the changing context and identifies challenges faced by community development

For Security and For Peace Jolanta Itrich-Drabarek, Marzena Cichosz, Danuta Plecka, Anna Jach, 2024-11-22 This book formulates a conceptual framework to analyse the Russian Ukrainian conflict It examines the strategies of the Baltic states and the attitudes of the societies of the Baltic Sea basin directed not only towards limiting the consequences of the Russian Ukrainian war but also towards restoring peace and ensuring future security in the region It assesses the Baltic states during and after the conflict discussing the problem of managing a coherent policy towards Russia and Ukraine the challenges faced by states during and after the conflict analysing the attitudes of societies and their evolution during and after the conflict The volume will be of interest to scholars and researchers of European studies and war international relations political science peace and conflict studies
