and the Kalquorian Empire Cissy Salter is more than ready to shed Earth's repression when she moves to the planet Kalquor. She leaps headlong into drinking, partying and liaisons with young alien men. She would be having the time of her life if not for the disapproval of a certain rich, gorgeous Dramok she can't avoid. She'd love to despise him but her heart has other ideas. Dramok Diltan sees the bawdy, unrefined Cissy as a thorn in his side. The last thing he needs is a woman who drives him crazy every time they meet. Yet the spark in her eyes kindles a fire he can't ignore. His enthralled clanmates Wal and Rolat are determined to get the two to stop fighting at least long enough to explore the possibility of making Cissy part of their clan. When they discover Diltan's past misdeeds, Wal and Rolat issue an ultimatum: help them seduce the Earth woman or face punishment. As Cissy and Clan Diltan discover each other's true natures and love blooms, the long hidden secrets of Kalquor's leadership are revealed. An old conspiracy brought to light shatters Kalquor's peace, driving the Empire apart and tearing Cissy from the arms of the three men she can no longer live without. For most of the Earth-Kalquor War, ended years ago, Yet veteran destroyer captain Zemos and clanmates Oret and Miragin have been captured by a renegade Earther battlecruiser. They've been held in a cell for months now with no idea where their ultimate fate lies. Threatened daily, they know their lives can end at any moment. The only bright spot during their imprisonment has been the lovely woman who brings them their meals and offers the one friendly face amongst their enemies. Elisa Mackenzie is among the desperate Earthers trying to survive in the wake of Armageddon. Surrounded by fanatics who won't give up a long lost war, she can't let herself care for the Kalquorians; the ship has taken her prisoner. Her lonely heart, empty for so long, has other ideas. Knowing the Kalquorians are dangerous and her fanatical shipmates are even more so, Elisa fights her feelings in vain. Ignoring the harsh lessons of long lost youth, she falls in love. Zemos, Oret and Miragin know they must escape before the Earthers deliver them to an unthinkable end. They also know the key to opening their cage means turning on the woman who has infiltrated their fierce hearts. Elisa already has their adoration. She deserves their protection and care as well, but enemies both new and ancient threaten the Kalquorian Empire. To save their people and themselves, the three men may have to destroy the woman who would complete their clan.
