Alien General's Chosen Vi Voxley, 2015-12-24 This general doesn't play fair Leiya has a secret Trouble is even she doesn't know it One of the most promising singers Briolina has to offer no one could know that the bright star is actually a human a Terran But when the most dangerous Brion in the universe marks her as his own Leiya has more than hidden secrets to worry about She thought she was ready for the love of her life but the general is far more than she could have been prepared for Faren's not a simple man Seemingly devoid of emotions rational to a fault he is a monster on the battlefields and his reputation far exceeds him But after losing his brother the only demon who could match him Faren is lost When the binding hits him like a spear to the chest making him recognize the innocent pacifist Leiya as his true mate he finally has a purpose again A goal Her safety her heart and her body He will have her the right way even if it kills him and everyone around him Nothing could stop the Monster of Briolina But it seems like the whole universe is going to try like hell **Alien General's Beloved** Vi Voxley, 2016-05-11 Only one general can stand between an ancient nightmare and the safety of his people This is a 100k full scifi romance novel featuring a BBW human heroine and a growly alpha male Brion warrior general It can and should be read as a standalone and has a guaranteed HEA ending Lana Cormac is a woman with a mission As the captain of a scouting vessel for the Galactic Union the curvy woman has always put her crew first and herself second But when two men more myth than reality bursts into her life she needs to step back and wonder whether she's been doing things the wrong way all along Stuck between two Brion generals both convinced that she can be his and only his Lana needs to walk a tightrope between keeping a fleet of innocent people alive while subsequently coming to grips with what fate has in store for her Could it truly be a Brion general and if so couldn't he have picked a less horrible time to show up Corden is a Brion general unlike any other He is the guardian the keeper of order for all of the generals though there are few who know this Defeat is not a word he recognizes yet when something out of the darkness of Brion culture comes back to haunt him even Corden needs to consider the option But what he isn't prepared for is that his greatest enemy might come from within even when the worst nightmare he could imagine is staring him in the eye With Lana's heart and safety on the line Corden has no option but to win Even the psychotic fervor of a general long thought dead and gone cannot stand in his way especially when the man wants to claim Corden's chosen Will Lana learn to consider the needs of her own heart and will Corden save not only her and the universe but himself as well **Alien General's Fated** Vi Voxley, 2016-01-31 This general will never lose Aria Harris has been fighting for recognition all her life A curvy confident Earth woman she's made it to the upper echelons of her profession working as an Ambassador for the Galactic Union itself Well Ambassador on a trial period anyway Having to prove herself is nothing new for Aria and when she's tasked to keep a Brion general on a leash during his trip to the seat of the union it seems like another challenge to face But she couldn't have been prepared for the general Not only may she have met her match but the man might very well be the most compelling infuriating sexy and despicable being

she's ever laid her eyes on Shame she can't look away then Ryden won his spot through sweat and blood and as far as he's concerned that's the only way to live Existing in a brutal reality of combat and conquest the newest Brion general to join the ranks has no time or patience for weak politicians petty tasks or wasting his time Being sent to babysit the Galactic Union from a force they're clearly not equipped to deal with feels like all three at the same time Despite looming threat and ever lingering death Ryden can't help but keep noticing the feisty woman who seems to fight him on every step So is it so wrong to want to conquer her too then Not only is Ryden in jeopardy of losing the union to a force far more treacherous than anticipated but he might be losing his heart to the fiery eyed little Terran too What's a man to do but make sure then that he's the last man standing and that Aria would be right there by his side his forever The fact that the universe doesn't seem to quite agree with his plan is of little consequence No one can stop this general no one but her Will Aria learn to trust anyone but herself and will Ryden come to know that there's more to existing than conquest You know you want to find out

Abducted from Earth and now I'm being sold Cassandra Stranded and alone in a sector of space ruled by vicious queens I'm losing hope of ever finding freedom After being abducted all I wanted was to escape from the aquatic species trying to sell me on the open market They feed me cold slop every day rough me up when I don't do what they want and keep me in a cage with standing room only One day somehow I'm going to turn the tables and I'll put them in this same dirty cage Making that happen is all I think about because thinking about my life on Earth is too painful They snatched me right when everything was going to hell in hand basket Humans had finally organized to fight against the environmental disasters making the planet uninhabitable I was pulling core samples on a mountain top when the aliens came for me As it is Earth needs me much more than the horrible aquatics intent on using me to line their pockets Mathadar Being one of millions of warriors in the Draconian fleet makes me insignificant and dispensable Our Queens don't value our contributions and see us as expendable I've lost my father and my brothers have been assigned throughout the fleet I'm alone another faceless warrior for the cause All that changes when I see an alien Queen being auctioned in the city square It makes my blood boil to see her with her hands tied above her head and her clothing ripped exposing her pale ripe body When she struggles to escape I imagine her moving on top of me in the same way May the goddess forgive me for such deviant thoughts about the delicate and helpless Queen When her eyes lock with mine and she calls to me nothing in the verse will keep me from coming to her rescue Not even the fury of my own chain of command will keep me from her She is going to be mine **The Alien Prince's Bride**

Martin,2024-11-15 When hope is dimmest a ray of light breaks through Daisy Being abducted from Earth was terrifying When the fish headed aquatic aliens took me I knew I was in trouble Thankfully I was raised to be a fighter I ve struggled against my captors at every turn but how many times can a girl get beat down before coming to realize you can t win It s wearing me down and I m finally coming to realise there s no Prince Charming coming to rescue me I can t give up though not yet In a desperate attempt I join up with another girl from Earth and this time I m either getting free or else There is no other option I can t live like this Then the floor shakes and winged demons from hell invade At least they re fighting the aquatics but is this a rescue or am I trading one master for another In this battle it s not just my life at stake this time my heart is on the line too Darnok Another mission one more battle Maybe this will be my last maybe not I can t bring myself to care anymore Being bigger than all the other warriors my entire life has been one lone string of abuse The other males pick fights with me to prove how tough they are and the Queens abuse me because I m so big I always stand out All they see is the giant none of them see the person I am None of them see my dreams or my desire to be accepted How I want someone to love me for me Even my one friend barely sees because in this world I have to hide that part of me away There is no compassion in my world There is nothing to live for except to fight Go to the next battle and see if this time it s my last It doesn t matter there is no other end for me Sooner or later it will happen and I ve accepted it At least then my suffering will end Until this mission Until I meet the human female Daisy Then everything changes I ll fight all of them to save her to make her mine She is the light in my universe and I m not going to let it fade
