**Extraterrestrial Legacies of God, Jesus, and the Angels** Raphael-Seraphin Kutota Basisa,2024-01-03 About the Book In some way or form this book is unassumingly a nicer and a more logical organization and interpretation of compounding

existing religious writings from a variety of walks of life. Herein they are presented as proof drawn synthetically from those multitude of intellectual sources written over the last 4 000 years evidencing that the central figure of the persona translated as the reincarnation of almighty God of Israel himself in Christian literature is simply another Extraterrestrial Alien visiting Planet Earth for a purpose. Another visitor just like those well known Anunnaki the Elohim the Nephilim the Sons of God the Watchers the renegade Angels or other entities over several millennia ago. And in the many ways how it is related to the current humanity's most pressing problem of whether we are alone and unique in the Cosmos as it is linked to the much witnessed UFO encounters phenomenon. It also well outlined the latent consequences resulting from what is presented as postulate. About the Author Raphael Seraphin Kutota Basisa currently resides in Lynn Massachusetts. He would consider himself a futurist a researcher a world's concerned citizen and a great human being. He is a chemical engineer by training and earned an MBA and an ABD in Applied Management and Public Policy. He has written and published several technical and non technical documents commentaries articles papers and other books along the subjects of his expertise. He believes in extraterrestrial life in regard to religion. Basisa is a person whose research helped to recognize early on the theory that we are all descendants of Extraterrestrials and Cosmic religiosity should be recognized in modern theology.

**Islamic Theology and Extraterrestrial Life** Jörg Matthias Determann, Shoaib Ahmed Malik, 2024-02-22. Over the last thirty years humanity has discovered thousands of planets outside of our solar system. The discovery of extraterrestrial life could be imminent. This book explains how such a discovery might impact Islamic theology. It is the foundational reference on the subject comprising a variety of different insights from both Sunni and Shi'i positions from different Muslim contexts and with chapters that compare and contrast Islamic perspectives with Christianity. Together they address some of our biggest questions through an Islamic lens: What makes humans unique in the cosmos? What are the ethics of dealing with other sentient beings? And how universal is salvation? Given the accelerating advances in exoplanet research and astrobiology the book is at the frontier of science and Islamic thought. Contributors include a range of leading experts from Muslim theologians scholars of comparative religion and philosophers to historians social scientists and natural scientists.

*A New World If You Can Take It* Rev. Michael J.S. Carter, 2014. Author of *Alien Scriptures*. Extraterrestrials in the Holy Bible and frequent guest of History Channel's *Ancient Aliens* series. Reverend Michael Carter takes ancient astronaut theory to its next developmental step in his latest work *A New World If You Can Take It*. God, Extraterrestrials and the Evolution of Human Consciousness. Drawing on the works of such giants as Erich von Däniken and Zecharia Sitchin, it is well established that many in the UFO community believe that our ancient ancestors mistook extraterrestrial visitors for all powerful deities. Reverend Carter builds on this outlook by reexamining religious and spiritual philosophies and demonstrating how off world intelligences shaped early religious teachings. The concepts presented in this book are not for the spiritually faint of heart or those with closed minds. Reverend Carter courageously asks and answers the next rational question: How can one reconcile

spirituality and faith with a belief that ancient astronauts influenced the events depicted in humanity's greatest holy texts Expanding on this line of questioning Reverend Carter explores how expanding one's spiritual consciousness may actually lead to the next step in human evolution Are you searching for more out of life Do you have questions about what you have been taught by organized religion Do you feel that if the world's diverse population recognized their shared singular tradition of extraterrestrial involvement in human affairs would foster peace and prosperity for all of humanity Can the messages from present day Star Visitors to contactees hold the key to unlocking your spiritual potential Reverend Michael Carter encourages his readers to ask these questions research for answers and embrace what resonates with your heart Are you ready for a New World

**We Are the Extraterrestrials in the Bible and Seeders of Humankind**

Rufus Jimerson, 2017-12-18 The purpose of this book is to continue interpreting scriptures identified in the Holy Bible respecting contact with aliens in Reverend Michael Carter's A New World If You Can Take It God Extraterrestrials and The Evolution of Human Consciousness His book does find parallel scriptures in the Koran and other holy books used in establishing modern religions In this book biblical findings cited paraphrased and reinterpreted extend from Ancient Times into the Middle Ages when knights from Africa saved and preserved civilization as well as seeded the royal nobles and Christian Church papacy from its inception It tries to explain why this chapter of history was omitted or submerged from public awareness Then the book turns to issue of Karma and incarnation of the heretic pharaoh in modern times with his mother as his wife and one of the nation's most influential First Ladies A xenophobic and religious backlash led by the reincarnation of Fallen Angels in Trump and His Four Horsemen that endanger the future of civility liberty and the planet But Star Children or Alien Hybrids continue to save and maintain hope against the Apocalyptic domain of the Demigod and His Fall Angels which threat our End Times or some sort of cosmic correction Meanwhile the human species is evolving from its violent and savage hominid animalistic tribal state to ascend to angels shepherding the Lord's creations

**American Cosmic**

D.W. Pasulka, 2019-01-23 More than half of American adults and more than seventy five percent of young Americans believe in intelligent extraterrestrial life This level of belief rivals that of belief in God In American Cosmic D W Pasulka examines the mechanisms that foster a thriving belief in extraterrestrial life Her work takes her from Silicon Valley to the Vatican Secret Archive and reveals how media has supplanted religion as a cultural authority that offers believers answers about non human intelligent life

*We Are the Extraterrestrials in the Bible and Seeders of Humankind* Rufus Jimerson, 2017-12-11 The purpose of this book is to explore the origin of humanity from the stars through ancient civilizations and religious beliefs that acknowledge extraterrestrial contact and guidance for humankind It challenges the racial images and hegemonic beliefs imposed when slavery and colonialism were first being challenged as crimes against humanity during the last 200 or more years The whitewashing imposed by Western elites was imposed to conceal the truth about the seeders of mankind and founders of both civilization and modern religion The book specifically examines the origin of indigenous people of America and their

contact with the Sky People or Star Visitors Earlier in this volume in the written cultures of Kemet and Palestine interpretations of biblical scriptures in terms of contact with Star Visitors are presented from Reverend Michael Carter s Alien Scriptures Recent DNA research is also presented acknowledging that a significant amount of non coded genes in modern humans are extraterrestrial proving that our species was seeded by aliens who breed female hominids or homo erectus Most if not all of the latter species did not survive the Stone Ages unless they were hybrids of Star Visitors including the Neanderthals whose genes make up 4 percent of our DNA Many earlier hominid species not properly seeded by aliens where considered corrupt or mutated beyond repair by the Watchers and were destroyed in the global deluge and other natural disasters they engineered The Bible the best documented and understood books of the history and religion of the ancients and chosen people is cited and provides details on visits from the cosmos and what was done to foster responsible development or evolution of humankind Rules and consequences are inferred for those that undermine the Creator s work This book and the truth it uncovers is designed to raise readers awareness that conventional authorities have for their own selfish and narcissistic desire for absolute power and wealth have censored our history and belief system to reinforce their own image vanity and desire to be worshipped like gods     A New World If You Can Take It Michael J. Downing,2017-09-14

CHRISTIAN MINISTER MAINTAINS MIRACLES OF THE OLD AND NEW TESTAMENTS ARE MANIFESTATIONS OF AN EXTRATERRESTRIAL INTELLIGENCE The Reverend Barry Downing s credentials are impressive adding scholarly weight to his theories regarding anomalous and miraculous events as portrayed in the Old and New Testaments Downing holds a Ph D in the relation between religion and science from the University of Edinburgh of Scotland He also has a bachelor s degree in physics from New York s Hartwick College as well as a degree from Princeton Theological Seminary Dr Downing has studied the Bible most of his life Not unusual for a pastor but what makes his evangelistic career unique is that he has also studied the UFO phenomena since the mid 1950s The combination of both pursuits resulted in the 1968 publication of his

controversial book The Bible and Flying Saucers which would lay important groundwork regarding the blending of the divine with the theory that earth has been visited by extraterrestrials in ancient times and that these visitations continue to this day. This work is his long awaited sequel in which he expands upon the polemic issues previously put forth including that the Parting of the Red Sea in the Bible's Exodus was accomplished by a cylindrical UFO a cigar shaped ship whose kind is still reported. That Jesus was an extraterrestrial sent to earth to rid the world of sin and wickedness quoting Biblical text to support his claim. That Jesus left earth in a spaceship to another planet or perhaps another spatial dimension. That angels were actually aliens and that the angelic aliens spoke to Moses on Mount Sinai where he boarded a UFO to receive the Ten Commandments and specifications for the construction of the Tabernacle. It was aliens who guided the ancient Israelites providing them with manna in the wilderness. In the modern world Downing contends with mainstream religion's refusal to take the subject seriously. Christian liberals don't want to hear the miracles of the Bible were real and Christian conservatives don't want the miracles credited to simple aliens in flying saucers. Thus one can see that Downing an ordained minister is bravely risking disapproval from a wide swathe of fellow Christians not ready for his message. Many of the issues discussed by the author raise the issue of ontology or what is real and what is the nature of being. Rev Downing believes that recent discoveries in quantum physics tend to confirm that Biblical phenomena could be real. Modern quantum physics has revealed a world he states that is not full of solid objects on one hand and space on the other but rather a dynamic world in which solid objects are mostly space with various types of quantum energy spinning away to create the illusion of solid objects making it difficult to know for certain what we think we know. As for a possible global cover up of the UFO phenomenon Rev Downing espouses the theory that if UFOs truly carry the angels of Christ their strange technology and behavior may be as upsetting to government scientists as the Resurrection of Jesus was to the disciples. Their real world understanding had to expand and so must ours he rightfully concludes. This book is for the faithful as well as those who are primarily interested in unexplained historical phenomena as revealed in Biblical as well as other ancient texts as well as seekers of censored truths concerning the hidden and forbidden knowledge of mankind.

**Aliens, God, and the Bible** Joel Curtis Graves, 2017-08-28

Insight into alien mysteries from creation to the Second Coming. Discusses an ongoing alien conflict and what will happen to humans at the end of it. Delves into unsolved Bible mysteries.

*The Bible And Flying Saucers* Barry H. Downing, 2019-03-10

The thesis of this book is that the Bible contains stories of beings angels that come down from the sky and are sometimes associated with objects in the sky such as the pillar of cloud by day and pillar of fire by night which led the Jewish Exodus from Egypt. This UFO is similar to modern UFOs which one military pilot described as looking like a Tic Tac cylindrical white or cloud like in color about 40 feet long rounded on each end with no visible propulsion system. It seems likely that the UFOs seen in modern times are related to the same reality that started the biblical religion in both its Old and New Testament forms. Chapter 3 studies the book of Exodus in great detail explaining how the Exodus UFO pillar of cloud and fire apparently

used its propulsion system to part the Red Sea In the New Testament it is argued that our modern alien angels were probably the power that raised Jesus from the dead and carried the risen Jesus to the Damascus Road where the Apostle Paul was converted Acts 9 This book has some parallels with Erich Von Daniken's Chariots of the Gods but differs from Von Daniken in that it is argued that the aliens are not gods as Von Daniken suggests but rather beings who have a high knowledge of God and created the Biblical religions in both their Jewish and Christian form to move the human race away from idolatry and toward a more spiritual sense of the divine reality Chapter V asks Where is Heaven and explores the possibility that the resurrection stories of Jesus where he is able to enter locked rooms after his resurrection suggests that heaven may be another dimension in the midst of us Modern UFOs are reported to appear and disappear in an instant suggesting they too may be part of a multi dimensional reality Einstein's Theory of Relativity is offered as a clue to understanding some of the strange resurrection stories This book is an attempt to make sense of biblical stories that suggest the presence of extraterrestrial powers and to examine modern UFO stories for evidence that biblical angels and modern aliens may be the same reality Outer Space, Aliens, and the Holy Bible Paul Theriault, 2010-03-01

What connection do life and alien beings which some people claim are from possibly another planet have with the scriptures the Holy Bible If you believe there's life outside of our planet Earth and if you believe the Holy Bible is the inspired written Word of God and forever true then perhaps you can make the connection In my book I will show the connection between outer space aliens and the Holy Bible

Introduction **Angels or Aliens?** James Brouillette, 2020-01-29 Join the journey and examine the mysterious physical remains present on earth that are being used to mount a new attack against Christianity The reason for these ancient remains existence here on this planet is explained using scripture Angels or Aliens explores giants flying vehicles and angels as they are discussed and explained in the Bible and how they relate to the coming assault against Christians everywhere by this new theological lie This new false doctrine is explored which is now being prepared and developed in order to replace the Theory of Evolution as the Godless answer to mankind's origin This unique look at the modern world from a biblical point of view provides a positive Christian vision and reinforces the fact that God is in control and through Christ the victory is ours In addition through the process the reader is exposed to some possible end time scenarios that they may not have previously imagined After studying the media and the communication in which it engages Brouillette has identified a systematic indoctrination that has taken place over the last sixty years in the area of the existence of life on other planets and Angels or Aliens exposes this newest attack against the Christian belief that our world was created by God Using scripture this new humanist attack is debunked and the relationship this new theory might have with end times prophecy is exposed
