Act Jen Smith, 2015-12-30 When it comes to your life do you let the urgent take precedence over the important Do the days slip by with lots of activity and yet the big things those dreams you've carried for years lie dormant slipping further and further from reach Are you ready to be honest with yourself Are you ready to stake a claim and make a commitment Are you ready to manifest your thoughts as concrete action in the world Whatever it is that your heart desires are you ready to get started to close the gap between wishful thinking and deliberate action It's not the lack of time that's stopping you it's the lack of purpose and structure In **ACT** the second book in the **ALIGN ACT ACHIEVE** series author Jen Smith builds on the foundation laid in **ALIGN** to help you move into action She joins purpose with structure to provide a road map for a fun inspiring and intentional journey toward the future you want

Achieve Jen Smith, 2016-01-12 For those who have enjoyed their fair share of success life appears good Yet at times something seems to be missing leaving us to wonder Is there more In the final installment of her **ALIGN ACT ACHIEVE** series author Jen Smith explores this yearning for more and leads us beyond ourselves and into living in relationship and community Smith includes anecdotes that disclose her personal journey pause points for reflection space for journaling and a variety of reference materials that teach how to overcome fear manage time build authentic relationship ask the right questions practice gratitude and progress toward self transcendence **ACHIEVE** shares guidance and practical tools for anyone ready to summon the power within and move beyond self to find authentic relationship community and purpose How much are you willing to risk to be yourself
