## **All Good Things Star Trek The Next Generation:**

**All Good Things...** Michael Jan Friedman,2000-09-22 Seven years ago Captain Jean Luc Picard first faced the judgment of the Q Continuum a race of beings with God like powers over time and space who presumed to gauge humanity's fitness to exist in the galaxy Seven years ago they suspended judgment but now a decision has been reached The human race will be eliminated not only in the present but throughout time Humanity will never have existed at all The only chance to save mankind lies with Captain Picard An old enemy has granted him the power to revisit his life as it was seven years before and to experience his life twenty five years in the future With the help of friendships that span time and space Picard struggles to defeat the plans of the Q Continuum But even as he fights to save the human race from total extinction he has been set up to be the unwitting agent of mankind's destruction In an effort to save humanity Picard must sacrifice himself and all those he commands and if their sacrifice fails all mankind is doomed

**You Break It, You Die** William Delaney,2009-04 You Break It You Die by author William Delaney is an imaginatively brilliant twist on one of most ancient and revered documents of Christian teachings the Ten Commandments Written with dark humor and an uncanny sense of delicious macabre Delaney writes a tale of nine gay men who accept invitations to a dinner party hosted by an eccentric billionaire and his lover When the men gather their host informs them that each of them are living lives that contradict the ten gay Commandments His purpose is to convince the men that they have broken some of these laws and must atone for the ones they're not living up to and he's hell bent on setting them straight Meanwhile something from hell or is it an angel of destruction lies in wait Whatever the evil is it believes in the ways of the old testament and its fury is about to be unleashed with a wrathful vengeance What will happen to this motley crew Will they die for their sins or escape the tribulation of an ancient evil casting judgment With razor sharp dialogue convincing characters and tantalizing drama and mayhem Delaney's novel carries the reader on a fast track of twists and turns that lead to a surprising and chilling climax

**The Star Trek Universe** Douglas Brode,Shea T. Brode,2015-05-14 As one of the most influential shows of all time Star Trek continues to engage fans around the world But its cultural impact has grown far beyond the scope of the original seventy nine episodes The show spawned an unprecedented progeny beginning with Star Trek The Next Generation followed by three additional series of space exploration Film versions featuring Captain Kirk Mr Spock and other original crew members first appeared in 1979 followed by a number of successful sequels and ultimately a reboot of the original show From the modest ambitions of the show's creator Gene Roddenberry Star Trek gradually transformed into a true franchise an expanded universe that continues to grow In The Star Trek Universe Franchising the Final Frontier Douglas and Shea T Brode have collected several essays that examine the many incarnations that have arisen since the original program concluded its run in 1969 Every aspect of media into which Star Trek has penetrated is covered in this collection the four television shows literature toys games and the big screen reboot of the original series featuring the Enterprise and her crew Essays address a number of elements particularly

how the franchise has had an impact on gaming fandom and even technology Other essays consider how race gender and sexuality have been addressed by the various shows and films After a half century of boldly exploring topical issues that concern all of humanity Star Trek warrants serious attention now more than ever Looking beyond the entertainment value of its many versions The Star Trek Universe a companion volume to Gene Roddenberry's Star Trek offers provocative essays that will engage scholars of gender studies race studies religion history and popular culture not to mention the show's legions of fans around the planet

**Television Finales** Douglas L. Howard, David Bianculli, 2018-11-13 Today more than ever series finales have become cultural touchstones that feed watercooler fodder and Twitter storms among a committed community of viewers While the final episodes of The Fugitive and M A S H continue to rank among the highest rated broadcasts more recent shows draw legions of binge watching fans Given the importance of finales to viewers and critics alike Howard and Bianculli along with the other contributors explore these endings and what they mean to the audience both in terms of their sense of narrative and as episodes that epitomize an entire show Bringing together a veritable who's who of television scholars journalists and media experts including Robert Thompson Martha Nochimson Gary Edgerton David Hinckley Kim Akass and Joanne Morreale the book offers commentary on some of the most compelling and often controversial final episodes in television history Each chapter is devoted to a separate finale providing readers with a comprehensive survey of these watershed moments Gathering a unique international lineup of journalists and media scholars the book also offers readers an intriguing variety of critical voices and perspectives
