Citizenship, Belonging and Intergenerational Relations in African Migration C. Attias-Donfut,J. Cook,J. Hoffman,L. Waite,2012-05-15 This book explores migration experiences of African families across two generations in Britain France and South Africa Global processes of African migration are investigated and the lived experiences of African migrants are explored in areas such as citizenship belonging intergenerational transmission work and social mobility **Consular Services to British Nationals** Great Britain: Parliament: House of Commons: Committee of Public Accounts,2006-04-20 The Foreign and Commonwealth Office the Department provides a wide range of consular services from over 200 Embassies High Commissions and Consulates Posts worldwide On the basis of a report by the Comptroller and Auditor General HC 594 session 2005 06 ISBN 010293617X the Committee examined three main issues their progress in influencing British nationals travelling overseas developing consular services as a responsive service and reacting to consular crises The Department has made some significant innovations such as working with operators like EasyJet and publishing the Rough Guide to Safer Travel to increase its influence on those travelling overseas But consular staff are increasingly called to help the irresponsible minority whose problems may have been avoided by greater awareness and planning before travelling or by sensible behaviour once abroad The Department used its existing powers to charge for consular services in just 323 out of 84 000 assistance cases In 2001 the Department procured a casework management system at a cost to date of 3 3 million but this has not been successfully embedded across the organisation and has not produced the management information the Department needs to manage its consular business effectively Issuing passports at over 100 Posts is inefficient and exposes the Department to increasing risks from fraudulent applications The Department has improved its crisis management capabilities since 2001 although there has been slow progress in updating and testing emergency plans at Posts The Indian Ocean Tsunami presented an extreme challenge for consular services their call centres were overwhelmed and they were unable to assist British nationals as quickly as they would have wished *All-story Magazine* ,1907 **Have It All** Lewis Attrib,2011-12-21 Why Not Have It All Dr Hamid Mansourian successful NHS consultant is a man who has everything but wants more When his brother in law is crushed to death by a mad cow during a bleak Christmas celebration Mansourian s wife Margaret inherits Thorne Hall in remotest Norfolk Then his mistress Nurse Mei Mei Moon persuades Mansourian to misappropriate the fortune and invest everything in the privatisation of an NHS Psychiatric Unit A vengeful widow precipitates a chain of blackmail corruption conspiracy and murder that threatens to leave Mansourian bankrupt and medically discredited Unless even worse crimes can save him Brilliantly funny If you like Tom Sharp you ll like this Paul C Smith **Jericho Sands** Mary Borden,1926 *AFK, All of it* Huckleberry Hax,2018-02-27 ALL FIVE NOVELS OF THE AFK SERIES AFK Definitely Thursday Second Life R detective reflects on cases and confessions on love on anger and on understanding the virtual world as perhaps the greatest liberator there has ever been AFK AGAIN Step Stransky is dead All

that Thursday has to do is live with the fact of being his killer AFK INDEFINITELY Step Stransky is dead And everyone knows now it was murder And everyone knows now it was Thursday who murdered him Can she stay ahead of the law long enough to complete one last mission in the metaverse AFK INPURSUIT OF AVENGEMENT The virtual world is changing And Definitely Thursday is struggling to keep up Once she tracked down metaverse cheats now her job is to find criminals who would use the virtual world to con rape and murder AFK AWAITING Her partner is dead and the killer s coming for her next meanwhile her cover is blown and the authorities are once more on her trail The net is finally starting to close around Thursday   **Uncertain citizenship** Anne-Marie Fortier,2021-04-13 Uncertainty is central to the governance of citizenship but in ways that erase even deny this uncertainty This book investigates uncertain citizenship from the unique vantage point of citizenisation twenty first century integration and naturalisation measures that make and unmake citizens and migrants while indefinitely holding many applicants for citizenship in what Fortier calls the waiting room of citizenship Fortier s distinctive theory of citizenisation foregrounds how the full achievement of citizenship is a promise that is always deferred if migrants and citizens are continuously citizenised so too are they migratised Citizenisation and migratisation are intimately linked within the structures of racial governmentality that enables the citizenship of racially minoritised citizens to be questioned and that casts them as perpetual migrants Drawing on multi sited fieldwork with migrants applying for citizenship or settlement and with intermediaries of the state tasked with implementing citizenisation measures and policies Fortier brings life to the waiting room of citizenship giving rich empirical backing to her original theoretical claims Scrutinising life in the waiting room enables Fortier to analyse how citizenship takes place takes time and takes hold in ways that conform exceed and confound frames of reference laid out in both citizenisation policies and taken for granted understandings of the citizen and the migrant Uncertain Citizenship s nuanced account of the social and institutional function of citizenisation and migratisation offers its readers a grasp of the array of racial inequalities that citizenisation produces and reproduces while providing theoretical and empirical tools to address these inequalities   Law Notes ,1916
