new paradigm for her life Studying the Bible she recognized a pattern the people who experienced the extraordinary did unordinary things They pushed past the limitations and rules placed upon them by society culture and themselves Wright challenges you to break out of the mold and join hands with the One whose dreams are bigger than you think DON T SETTLE FOR THE STATUS QUO GOD WANTS TO DO SO MUCH MORE WITH YOUR LIFE Unthinkable shows what happens when you get out of your comfort zone and trust in God alone **Every Woman in the Bible** Angie Peters,Sue W.

Brasher, 1998 One of Choice Magazine's Outstanding Academic Books of 1998 Fundamentalist women are often depicted as dedicated to furthering the goals and ideas of fundamentalist men and thus of ancillary importance to the movement as a whole *Godly Women* Brenda Brasher's groundbreaking ethnographic study reveals the paradox that fundamentalist women can be powerful people in a religious cosmos generally understood to be organized around their disempowerment Brasher spent six months as an active participant in two Christian fundamentalist congregations to study firsthand the power of fundamentalist women In addition to the narrow set of religious beliefs that constitute each congregation she discovered that gender functions as a sacred partition which literally divides the congregation in two establishing parallel religious worlds The first of these worlds is led by men and encompasses overall congregational life the second is a world composed of and led solely by women Brasher explores how and why women become involved in this highly gendered religious world by examining women's ministries Bible study groups and conversion narratives She discovers that women only activities create and sustain a parallel symbolic

world within and among congregations which improves women's ability to direct the course of their lives and empowers them in their relationships with others. The women develop intimate social networks that act as a resource for those in distress and provide the basis for political coalition when women wish to alter the patterns of congregational life. Brasher's study sheds new light on the ideas and faith experiences of fundamentalist women, revealing that the religiosity they develop is not as disempowering as one might think. Brenda Brasher is an assistant professor of religion at Mount Union College.

King explores what God has accomplished through the unique talents and contributions of women of the Bible, drawing inspiration and lessons for all women in ministry today. From the beginning pages of Scripture to contemporary ministries across the globe, women have had a vital and active role in the story of redemption. Jacki reminds and challenges women in every season of life to uncover their distinct design purpose and mission for the glory of God. Jacki has spent years in many ministry settings serving others and pointing people to God. In this book, she highlights and celebrates the contributions, gifts, and strengths that women display as image bearers of God, and she paints a vivid picture of women surrendered to God's calling in their lives.
