*Grace Canceled* Dana Loesch, 2020-02-25 A society addicted to outrage is in trouble It s a seductive yet toxic drug that kills reason nuance and kindness Dana Loesch has been the target of as much outrage as anyone And as she forthrightly acknowledges here she has dished it out as well As passionately attached to faith and freedom as ever she warns that our addiction to outrage has debased our politics and reduced us to a vicious tribalism The antidote to outrage is grace a generous and forgiving spirit that tolerates those with whom one disagrees and offers redemption to the offender But grace is hard even under the best conditions and leftist rage mobs have stoked the fires of anger so assiduously with help from some of their foes on the right that grace is almost impossible Fortunately as Dana reminds us grace comes from God who specializes in the impossible In *Grace Canceled* Dana Loesch explains How America got cut up into competing tribes

Why a society without grace falls for socialism Why outrage makes us dumb How violence became an acceptable political tactic on the left When anger is called for and when it s just self indulgence The three golden rules of a happy warrior Make no mistake our freedom our faith our very way of life are under attack The stakes are incredibly high and Dana doesn t pretend they aren t But the social justice warriors are already slaves of outrage and if the rest of us become slaves as well then no one wins      **2021 a New Dawn** Gayle Schilz,2012-12-11 This book is based on the authors knowledge and experiences what she had with God and herself It is about changing your life As you heal yourself through prayers and having a positive attitude to laugh more to show the world that you can do it for yourself You are the one that counts Heal yourself with forgiveness see people with the spiritual eye not the physical eye Dont lower yourself to anyones level As you reflect your friends and they reflect you If you cannot change your life you will take it with you Stay on a spiritual path Pour peace and love and love yourself Win the grace of your mind keep it calm and serene Have more grace than space Fill yourself with peace and love If you have the strength with in you nurture your creativity into expression Fill yourself with inspiration and express it best in creative ways Dont worship your problems Wrap your problems in a bundle and give them to God Fill yourself with good thoughts there is no space left for criticism or illness Know the truth and the truth will set you free
