 This is NOT just another book of scripts This set of hypnotic inductions and therapeutic scripts are Calvin Banyan's favorites  
 He also gives you insider techniques that no hypnotherapy practice should be without Plus you will get new original scripts  
 that you will not get anywhere else AND you will get the Must Have Universal Script that works for almost any issue that  
 your client brings into your office Look inside and see what you get This book is designed for the working professional In  
 the first half of the book every technique and script is explained in detail Each script has embedded instructions that let you  
 know exactly how to use it properly Then in the second half of the book you get the most important scripts in larger print and  
 double spaced so that you can easily remove it and use it in your sessions These working scripts do not have the added  
 instructions so that you can be sure that you are reading just what needs to be read to each client for each issue You will find  
 that you use these patter scripts again and again And you will love the universal script that will work for most client's issues
