The book is a successful attempt to integrate military history with social and political history and thereby to depict the army as a school for the republic that by subtle changes after 1795 made way for the Napoleonic regime. The distinguished historian R R Palmer presents the first translation of this work into English in a volume that will quickly become indispensable for French historians historical sociologists and political scientists interested in armies and revolutions. The theme of the book is suggested by its French title *la Revolution armee*. That is the book is primarily about the Revolution and specifically the Revolution in its relation to armed force. This revolution and this army activated the idea of the citizen soldier exemplified by the ancient classical republics and favored by Jean Jacques Rousseau and other eighteenth century thinkers but never before realized on so large and portentous a scale as in France in the 1790s. Jean Paul Bertaud is Professor of Modern History at the University of Paris I the Sorbonne. He has published widely in France on aspects of the French Revolution. R R Palmer is Professor Emeritus at Yale University and author of numerous books including the two volume *The Age of the Democratic Revolution* 1959 and 1964, *Twelve Who Ruled* 1941 and *The Improvement of Humanity* Education and the French Revolution 1985 all published by Princeton University Press. He has translated many works from the French most recently *The Two Tocquevilles Father and Son* Herve and Alexis de Tocqueville on the Coming of the French Revolution Princeton 1987. In this volume the renowned historian William Doyle provides a new perspective on several key themes within the history of this period from the world of the Ancien Regime to the Battle of Waterloo. He sheds new light on the causes of the French Revolution and the impact of the revolution outside France. In taking a fresh look at the Napoleonic Empire he considers the influences on Napoleon's leadership decisions and the machinations of his court.
