**Tales of the Alhambra** Washington Irving, 1875      *The Alhambra* Washington Irving, 1915      *The Alhambra* Washington Irving, 2018-05-23  
Reproduction of the original *The Alhambra* by Washington Irving      [Tales from the Alhambra](#) Washington Irving, 1910      *The Alhambra - Washington Irving* Washington Irving, 2007-11

Rough draughts of some of the following tales and essays were actually written during a residence in the Alhambra others were subsequently added founded on notes and observations made there Care was taken to maintain local coloring and verisimilitude so that the whole might present a faithful and living picture of that microcosm that singular little world into which I had been fortuitously thrown and about which the external world had a very imperfect idea It was my endeavor scrupulously to depict its half Spanish half Oriental character its mixture of the heroic the poetic and the grotesque to revive the traces of grace and beauty fast fading from its walls to record the regal and chivalrous traditions concerning those who once trod its courts and the whimsical and superstitious legends of the motley race now burrowing among its ruins      **Tales of the Alhambra** Washington Irving, 2013-01-03

The *Alhambra* a series of tales and sketches of the Moors and Spaniards was published in May 1832 Consisting of a series of essays and short fiction pieces it was referred to as his Spanish Sketch Book In 1851 Irving wrote the Author's Revised Edition also titled *Tales of the Alhambra*      [Washington Irving: Bracebridge Hall, Tales of a Traveller, The Alhambra \(LOA #52\)](#) Washington Irving, 1991-03-01

This second Library of America volume of Washington Irving brings together for the first time three collections of his stories and sketches Written at the peak of his popularity these three works reveal Irving's remarkable diversity his skill at adapting European legends to his own style and the talent for entertainment that made him America's first literary celebrity *Bracebridge Hall* 1822 was published like *The Sketch Book* under the pseudonym Geoffrey Crayon and centers on an English manor its inhabitants and the tales they tell Interspersed with witty evocative sketches of country life among the English nobility is the well known tale *The Stout Gentleman* and stories based on English French and Spanish folklore vividly recounted with Irving's inimitable blend of elegance and colloquial dash *Tales of a Traveller* 1824 written after a year long stay in Germany is a pivotal work in Irving's career marking his last experiment with fiction before he turned to the writing of history biography and adaptation of folktales Irving felt his new stories to be some of the best things I have ever written They may not be as highly finished as some of my former writings but they are touched off with a freer spirit and are more true to life *The Alhambra* 1832 was inspired by Irving's stay during the spring and summer of 1829 at the ancient Moorish palace in Granada which he called one of the most remarkable romantic and delicious spots in the world This rich compendium of tales deftly interwoven with historical accounts and picturesque sketches was assembled from Spanish and Moorish folklore history guidebooks and anecdotes of Irving's experiences among the local residents LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The

Background Irving lived at the Alhambra Palace while writing some of the material for his book Shortly after completing a biography of Christopher Columbus in 1828 Washington Irving travelled from Madrid where he had been staying to Granada Spain At first sight he described it as a most picturesque and beautiful city situated in one of the loveliest landscapes that I have ever seen Irving was preparing a book called A Chronicle of the Conquest of Granada a history of the years 1478 1492 and was continuing his research on the topic He immediately asked the then governor of the historic Alhambra Palace as well as the archbishop of Granada for access to the palace which was granted because of Irving s celebrity status Aided by a 35 year old guide named Mateo Ximenes Irving was inspired by his experience to write Tales of the Alhambra The book combines description myth and narrations of real historical events even up through the destruction of some of the palace s towers by the French under Count Sebastiani in 1812 and the further damage caused by an earthquake in 1821 Throughout his trip Washington filled his notebooks and journals with descriptions and observations though he did not believe his writing would ever do it justice He wrote How unworthy is my scribbling of the place Irving continued to travel through Spain until he was appointed as secretary of legation at the United States Embassy in London serving under the incoming minister Louis
