Ashley West, Atlas has long watched his friends and fellow warriors find their mates He's heard all about how it's supposedly the most magical thing that can happen how you feel complete and happy and whole and he's tried not to be bitter over the fact that he still hasn't found his mate It hasn't been for lack of trying either With his skill on the battlefield he's highly sought after by the females of his kind and other kinds as well but there has never been that spark When he's chosen to accompany the princess of their people to Earth he thinks nothing of it It'll be a good distraction from things that aren't going the way he wants them to if anything Certainly he doesn't anticipate any kind of foul plot afoot with consequences that reach far beyond their own kind He definitely doesn't expect to meet Katlyn Pierce bartender by night student by day with her sharp eyes and sharper tongue By the end of his escort duty Atlas is honestly not sure which is more surprising that he's fighting his own people to save a planet he barely understands or that he's fairly sure he's found the other half of his soul But the princess isn't above exploiting his newfound connection and Atlas just might find himself fighting to save his mate as well as the rest of the world **Alien Defender's Chosen Bride** Miranda Martin,2020-03-04 Willow I risked everything to escape Earth As chance would have it I made it to a Draconian vessel The Dragon warriors take on all comers even women like me who are young uneducated and unbeknownst to me carrying a plague to their world They say ignorance is bliss and in my case it's the literal truth Prior to finding out I'm infected I was happily hunting for a compatible age mate and planning my happily ever after No sooner do I find Mr Right than I get my diagnosis and all my dreams are blown away like dandelion seeds scattering in the wind Narcis When a beautiful young queen lays claim to me I wish for things I never even considered before I crave her smile and her laughter When she makes the human kiss with me possessive instincts rise and dominate my thoughts When we discover she is infected with a dangerous parasite I'll do whatever is necessary to see her healed My family and the healers aren't doing nearly enough to save her life I'll go to any length to get what she needs When word leaks out of her infection an angry mob forms furious that she has brought a plague to our world I must protect her If I can get her back to Stone Mountain we'll be safe I'll do whatever it takes to make sure she's safe because a world without her isn't a place I want to be

Alien General's Fated Vi Voxley,2016-01-31 This general will never lose Aria Harris has been fighting

for recognition all her life A curvy confident Earth woman she's made it to the upper echelons of her profession working as an Ambassador for the Galactic Union itself Well Ambassador on a trial period anyway Having to prove herself is nothing new for Aria and when she's tasked to keep a Brion general on a leash during his trip to the seat of the union it seems like another challenge to face But she couldn't have been prepared for the general Not only may she have met her match but the man might very well be the most compelling infuriating sexy and despicable being she's ever laid her eyes on Shame she can't look away then Ryden won his spot through sweat and blood and as far as he's concerned that's the only way to live Existing in a brutal reality of combat and conquest the newest Brion general to join the ranks has no time or patience for weak politicians petty tasks or wasting his time Being sent to babysit the Galactic Union from a force they're clearly not equipped to deal with feels like all three at the same time Despite looming threat and ever lingering death Ryden can't help but keep noticing the feisty woman who seems to fight him on every step So is it so wrong to want to conquer her too then Not only is Ryden in jeopardy of losing the union to a force far more treacherous than anticipated but he might be losing his heart to the fiery eyed little Terran too What's a man to do but make sure then that he's the last man standing and that Aria would be right there by his side his forever The fact that the universe doesn't seem to quite agree with his plan is of little consequence No one can stop this general no one but her Will Aria learn to trust anyone but herself and will Ryden come to know that there's more to existing than conquest You know you want to find out
