**Aedian** Ashley West, 2015-09-23 Ten years ago the Calphesians a warrior race from far beyond our stars invaded Earth with the intention to kill everyone they found and take the planet's resources for themselves In order to prevent the destruction of the human race a treaty was set allowing the Calphesians to remain on Earth and use its resources as long as they didn't kill anyone or hurt the people In addition they would be able to pick and choose from a selection of human women to marry and have children with in order to keep their kind from dying out Every five years three women are randomly selected and married off to the strongest warriors of the Calphesians and this year Roxanne has been chosen She's angry and bitter about having her life decided for her and nothing changes when she meets Aedian her husband to be He's boorish and crude and treats her like she's insignificant most of the time and all they do is fight But when another race of aliens seeks to destroy the Earth and everyone on it everyone will have to band together to fight them off and both Aedian and Roxanne will realize there's more to each other than they'd thought    *Alien Warrior's Devotion* Sue Mercury, Sue Lyndon, 2021-09-21 Can a marriage of convenience lead to something more After escaping war torn Earth Skylar seeks refuge on planet New Vaxx where she's expected to take a Vaxxlian warrior as a husband Eager for a fresh start she longs to settle down with one of the huge protective aliens But when Vaxxlian Matchmakers informs her that her one true soulmate has perished she's heartbroken even though she never actually met the male When she's matched to a widowed Vaxxlian instead as a marriage of convenience she worries she'll never find happiness with the gruff controlling warrior named Tahrin She can't help but think she should've never visited Vaxxlian Matchmakers in the first place What if she's made a terrible mistake    **Divided Warriors** Aurora Welkin, 2021-07-22 Reverse Harem and Menage Sci Fi Romance Series I'm a doctor I save lives I never considered I'd be the one in need of saving A Queen needs a doctor of River's specialization an ob gyn and a request is submitted to her hospital She sees it as the perfect opportunity to break the

monotony of her life so she volunteers assuming she'll be heading to Dubai or Abu Dhabi or somewhere equally exotic. Not asking more questions is her first mistake but it never crossed her mind that the Queen would be not of another country but of another planet. Falling for the two clearly non-human escorts might be her second but as they crash land on an alien planet and manage to survive she wants both of them to save her and not just from the alien enemies approaching. Now if only the two males who were complete opposites stopped fighting long enough to see the woman standing in front of them then maybe River would get her happily ever after.
