## Ali's Greatest Fights Matt Christie:

Ali's Greatest Fights Matt Christie, Go Go Entertain, 2015-11-30 It's the summer of 2011 and trainer Angelo Dundee is talking about his long journey with the most famous fighter in history Muhammad Ali. Many years have passed since the punches were thrown but their potency remains. I first met him way back in 1959 and he was 16 or 17 years old. Dundee says his mind was consumed by glorious memories. I was in a hotel in Louisville Kentucky preparing one of my fighters and I got a call. My name is Cassius Marcellus Clay and I'm the Golden Gloves champion of Louisville. I won the gloves in Chicago, I won the gloves in Seattle and I'm going to win the Olympics. This was him the energetic kid who wanted to talk to me because he had seen me on TV because I had about six fighters who would fight every other week on CBS back when we had public television. He wanted to talk to me because he was curious how I trained my fighters. I had no idea who he was because I never paid attention to the amateurs. I let him come up to the room and we had a conversation and it was beautiful. It was like a kid at school who wanted to learn more and Muhammad wanted to learn more about boxing. Seduced by his mischievous confidence, Angelo eventually agreed to guide Clay. But he quickly realised there was no point in trying to change him. Crucially for their longevity, Dundee knew that harnessing what came naturally would suffocate the magic. Instead he watched and listened carefully while devising Clay's route to the top. Professional boxing was in a mess when he came along in 1960. Under investigation, it was exposed as a sport run by racketeers with strong influences from the Mob. Even when some influential gangsters were jailed for their interference in the career of welterweight champion Don Jordan, the sport continued to struggle. There were televised tragedies in the ring and the calls for boxing to be abolished got louder. But they never quite got as loud as Cassius Clay. He quickly realised that incessant talking, boasting, making up outrageous poetry and harassing opponents was the way to a fortune. Through it all, Dundee stood back and watched. [Irish Boxing Review: 2012 Edition](#) Steve Wellings, 2012-02-06 The Irish boxing review covers all of the talking points and events from across the Irish boxing scene and beyond. Reports, news articles, features, previews and photographs plus much more. Finally a boxing book that pulls it all together. Fights, fighters, dates and proper live reports. It's my type of boxing book no fantasy just the truth. Perfect. Steve Bunce. The Irish Boxing Review was a welcome addition to the fight scene here and Steve Wellings as expected did a fine job with interesting and informative articles. I look forward very much to the 2012 edition and long may Irish Boxing Review continue. Thomas Myler [Baddest Man](#) Mark Kriegel, 2025-06-03 From the acclaimed New York Times bestselling author whose coverage of Mike Tyson and his inner circle dates back to the 1980s a magnificent noir epic about fame, race, greed, criminality, trauma and the creation of the most feared and mesmerizing fighter in boxing history. On an evening that defined the greed is good 1980s Donald Trump hosted a raft of celebrities and high rollers in a carnival town on the Jersey Shore to bask in the glow created by a twenty one year old heavyweight champion. Mike Tyson knocked out Michael Spinks that night and in ninety one frenzied seconds earned more than the annual payrolls of the Los Angeles Lakers and Boston Celtics.

players combined It had been just eight years since Tyson a feral child from a dystopian Brooklyn neighborhood was delivered to boxing's forgotten wizard Cus D'Amato who was living a self-imposed exile in upstate New York. Together Cus and the Kid were an irresistible story of mutual redemption darlings to the novelists screenwriters and newspapermen long charmed by D'Amato and perfect for the nascent industry of cable television. Way before anyone heard of Tony Soprano Mike Tyson was HBO's leading man. It was the greatest sales job in the sport's history and the most lucrative. But the business of Tyson concealed truths that were darker and more nuanced than the script would allow. The intervening decades have seen Tyson villainized, lionized and fetishized but never until now fully humanized. Mark Kriegel, an acclaimed biographer regarded as the finest boxing writer in America, was a young cityside reporter at the New York Daily News when he was first swept up in the Tyson media hurricane but here he measures his subject not by whom he knocked out but by what he survived. Though Tyson was billed as a modern-day Jack Dempsey, in truth he was closer to Sonny Liston. Tyson was Black, feared and born to die young. What made Liston a pariah though would make Tyson in a way his own handlers could never understand a touchstone for a generation raised on a soundtrack of hip hop and gunfire. What Peter Guralnick did for Elvis in *Last Train to Memphis* and James Kaplan for Sinatra in *Frank*, Kriegel does for Tyson. It's not just the dizzying ascent that he captures but also Tyson's place in the American psyche.

**Sting Like a Bee** Leigh Montville, 2018-04-03 A PEN ESPN AWARD FOR LITERARY SPORTS WRITING FINALIST A tremendous new biography of Muhammad Ali that zeroes in on the moment Ali turned from an athlete to an activist icon. Muhammad Ali, heavyweight champion, Olympic gold medalist and cultural icon. In *Sting Like a Bee*, bestselling author Lee Montville takes a close look at the famed boxer whose bombastic persona was rivaled only by his athletic performance. But Ali was more than just a boxer. He renounced his slave name, joined the Nation of Islam, and refused to join the military. His story is the story of America in the late sixties: his life intersecting sports and pop culture, politics and the people. *Sting Like a Bee* zeroes in on five important years of his life, putting the legend in context. It's a portrait of an athlete and a portrait of America during a time of social unrest and earth-shaking change. A must-read for anyone looking to get a clear view of the man and his country.
