100 Years of the Nineteenth Amendment Holly J. McCammon,Lee Ann Banaszak,2018 The year 2020 will mark the 100th anniversary of the Nineteenth Amendment giving many women in the United States the right to vote The struggle for suffrage lasted over six decades and involved more than a million women yet even at the moment of the amendment's enactment women's activists disagreed heartily over how much had been achieved whether it was necessary for women to continue organizing for political rights and what those political rights would bring Looking forward to the 100 year anniversary of the passage of the Nineteenth Amendment this collection of original essays takes a long view of the past century of women's political engagement to gauge how much women have achieved in the political arena The volume looks back at the decades since women won the right to vote to analyze the changes developments and even continuities in women's roles in the broad political sphere Ultimately the book asks two important questions about the last 100 years of women's suffrage 1 How did the Nineteenth Amendment alter the American political system and 2 How has women's engagement in politics changed over the last 100 years As the chapters reveal while women have made substantial strides in the political realm voting at higher rates than men and gaining prominent leadership roles barriers to gender equality remain Women continue to be underrepresented in political office and to confront gender bias in a myriad of political settings The contributors also remind us of the important understanding to be gained from an intersectional perspective to women's political engagement In particular several chapters discuss the failure of the Nineteenth Amendment to provide full political rights and representation to African American Latina and poorer women The work also considers women's extra institutional activism in a wide variety of settings including in the feminist civil rights environmental and far right movements As the volume traces women's forceful presence and limitations in politics over the past century it also helps us look forward to consider the next 100 years what additional victories might be won and what new defeats will need women's response

The Magnolia Sword Sherry Thomas,2019-09-10 CHINA 484 A D A Warrior in Disguise All her life Mulan has trained for one purpose to win the duel that every generation in her family must fight If she prevails she can reunite a pair of priceless heirloom swords separated decades earlier and avenge her father who was paralyzed in his own duel Then a messenger from the Emperor arrives demanding that all families send one soldier to fight the Rouran invaders in the north Mulan's father cannot go Her brother is just a child So she ties up her hair takes up her sword and joins the army as a man A War for a Dynasty Thanks to her martial arts skills Mulan is chosen for an elite team under the command of the princeling the royal duke's son who is also the handsomest man she's ever seen But the princeling has secrets of his own which explode into Mulan's life and shake up everything she knows As they cross the Great Wall to face the enemy beyond Mulan and the princeling must find a way to unwind their past unmask a traitor and uncover the plans for the Rouran invasion before it's too late *All for You...* Brittany Lee,2014-12-03
