Houdek,2017-03-04 Baseball and law have intersected since the primordial days In 1791 a Pittsfield Massachusetts ordinance prohibited ball playing near the town s meeting house Ball games on Sundays were barred by a Pennsylvania statute in 1794 In 2015 a federal court held that baseball s exemption from antitrust laws applied to franchise relocations Another court overturned the conviction of Barry Bonds for obstruction of justice A third denied a request by rooftop entrepreneurs to enjoin the construction of a massive video screen at Wrigley Field This exhaustive chronology traces the effects the law has had on the national pastime both pro and con on and off the field from the use of copyright to protect not only equipment but also Take Me Out to the Ball Game to frequent litigation between players and owners over contracts and the reserve clause The stories of lawyers like Kenesaw Mountain Landis and Branch Rickey are entertainingly instructive      *Classical Myth in Alfred Hitchcock's Wrong Man and Grace Kelly Films* Mark William Padilla,2018-12-12 Mark Padilla s classical reception readings of Alfred Hitchcock features some of the director s most loved and important films and demonstrates how they are informed by the educational and cultural classicism of the director s formative years The six close readings begin with discussions of the production histories so as to theorize and clarify how classicism could and did enter the projects Exploration of the films through a classical lens creates the opportunity to explore new themes and ideological investments The result is a further appreciation of both the

engine of the director's storytelling creativity and the expressionism of classicism especially Greek myth and art in British and American modernism The analysis organizes the material into two triptychs one focused on the three films sharing a wrong man pattern wrongly accused man goes on the run to clear himself the other treating the films starring the actress Grace Kelly Chapter One on *The 39 Steps* 1935 finds the origins of the wrong man plot in early 20th century British classicism and demonstrates that the movie utilizes motifs of Homer's *Odyssey* Chapter Two on *Saboteur* 1942 theorizes the impact of the director's memories of the formalism and myths associated with the Parthenon sculptures housed in the British Museum Chapter Three on *North by Northwest* participates in the myths of the hero Oedipus as associated with early Greek epic Freud Nietzsche and Sophocles Chapter Four on *Dial M for Murder* 1954 returns to Homer's *Odyssey* in the interpretive use of the lay of Demodocus a story about the sexual triangle of Hephaestus Aphrodite and Ares Chapter Five on *Rear Window* 1954 finds its narrative archetype in The Homeric Hymn to Aphrodite the erotic theme of Sirius the Dog Star also marks the film Chapter Six on *To Catch a Thief* 1955 offers the opportunity to break from mythic analogues and to consider the film's philosophical resonances Plato and Epicurus in the context of motifs coalesced around the god Dionysus Bacchus
