Alive One Of The Generations Trilogy:

Alive Scott Sigler, 2015-07-14 1 NEW YORK TIMES BESTSELLER For fans of The Hunger Games Divergent and Red Rising comes a gripping sci fi adventure in which a group of teenagers wake up in a mysterious corridor with no knowledge of who they are or how they got trapped Their only hope lies with an indomitable young woman who must lead them not only to answers but to survival I open my eyes to darkness Total darkness I hear my own breathing but nothing else I lift my head it thumps against something solid and unmoving There is a board right in front of my face No not a board a lid A teenage girl awakens to find herself trapped in a coffin She has no idea who she is where she is or how she got there Fighting her way free brings little relief she discovers only a room lined with caskets and a handful of equally mystified survivors Beyond their room lies a corridor filled with bones and dust but no people and no answers She knows only one thing about herself her name M Savage which was engraved on the foot of her coffin yet she finds herself in charge She is not the biggest among them or the boldest but for some reason the others trust her Now if they're to have any chance she must get them to trust one another Whatever the truth is she is determined to find it and confront it If she has to lead she will make sure they survive Maybe there's a way out a rational explanation and a fighting chance against the dangers to come Or maybe a reality they cannot comprehend lies just beyond the next turn Praise for Alive Suspenseful Alive lives up to its hype packing plenty of thrills Entertainment Weekly Fascinating and intriguing a cross between Lord of the Flies and The Maze Runner and yet so much more Fresh Fiction A ripping claustrophobic thunderbolt of a novel Scott Sigler's Alive gives us an unforgettable young hero who must find the inner strength to lead without knowing where she is who she is and how bitterly the odds are stacked against her Pierce Brown New York Times bestselling author of Red Rising Sigler has created a wonderful and engrossing character in M Savage Strong and smart but with the naivete and misgivings of any teenage girl she's someone you'll definitely want on your side when it hits the fan which it most certainly does Veronica Belmont host of Sword Laser A tense unsettling page turner of a story both deeply strange and wildly compelling Cherie Priest author of Boneshaker and Maplecroft From the first page I was hooked The puzzle unfolds masterfully right down to the last page Dr Phil Plait author of Bad Astronomy
