Messianic Prophecies in Historical Succession Franz Delitzsch, 1891 [A History of Messianic Speculation in Israel](#) Abba Hillel Silver, 1927 A prominent American religious leader and renowned Hebrew scholar traces seventeen centuries of Messianic dreams and pretenders among the Jewish people A new preface to the Beacon edition brings up to date his views since the original publication of the book and includes his comments on the creation of the state of Israel seen by many as the fulfillment of the Messianic dream Publisher *How to Preach the Prophets for All Their Worth* Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word

A Short Defence of Religion Giuseppe Ballerini, 1910 **Answers for the Honest Skeptic** Ted Even, 2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to

enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing *Apostles, Prophets and the Coming Moves of God* Bill Hamon,1997 Author of the Prophets series Dr Bill Hamon brings the same anointed instruction in this new series on apostles Learn about the apostolic age and how apostles and prophets work together Find out God s end time plans for the Church *Reformed Dogmatics : Volume 3* Herman Bavinck,2006-04-01 In partnership with the Dutch Reformed Translation Society Baker Academic is proud to offer in English for the very first time the third volume of Herman Bavinck s complete Reformed Dogmatics This masterwork will appeal not only to scholars students pastors and laity interested in Reformed theology but also to research and theological libraries Bavinck was a man of giant mind vast learning ageless wisdom and great expository skill Solid but lucid demanding but satisfying broad and deep and sharp and stabilizing Bavinck s magisterial Reformed Dogmatics remains after a century the supreme achievement of its kind J I Packer Regent College This magisterial work exhibits Bavinck s vast knowledge and appreciation of the Christian tradition Written from a Reformed perspective it offers a perceptive critique of modern theology Recommended Library Journal **The Messianic Message of the Old Testament** Clinton Lockhart,1905 **Niagara Index** ,1908 **The Light of All Ages** Gavin Carlyle,1873 Christian Apologetics...
