Clean of Heart Rosemarie Scott,2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins

Heart Lavon Koerner,2018-11-21 LaVon Koerner learnt the concepts that prompted the content of this book while he was setting up and running his International Consulting Business Revenue Storm While these concepts were curiously absent from the church they were constantly revealing themselves while he was conducting international business As LaVon engaged in multiple cultures in 49 different countries the patterns became increasingly more noticeable to him It was out there in the international community that LaVon uncovered the seven common denominators occupying every human heart They stood out as the most beautifully simplistic common denominators instilled by God in every human heart that all nationalities and peoples shared In a world that appears to be growing more deeply divided he found that these commonalities reach beyond skin color languages dialects or cultural mores We all share in the desperation and the joy of the

Seven Desire in EVERY human heart Your own heart will validate their existence as you read this book It is now time to put these critical observations in the rightful hands of the church where they belong If they remain absent from the personal work of the church we will be failing each other while allowing people to continue in emotional bondage These longings hold the key to unifying the church as one body sharing all the same aspirations that have been built into our hearts by God himself We need to fight the obsession over what divides us and move onto these seven common longings that unite us God designed just one mankind and every human being has these exact same seven desires in their hearts This book will untangle each one of them and set you free from all the negative emotions emanating out of the love gaps that surround them
