**Afloat on Noah's Boat** Wanda Vassallo,2016-02-10 The story of Afloat on Noah s Boat carefully follows the facts of the narration about Noah as told in the Bible Genesis 5 28 9 28 This version in verse for children fleshes out the biblical story using anointed imagination to include some of the strained relationships and humorous conflicts that might have happened as the ark splashed around on the water for about eight long months That boat was huge probably about one and two thirds the length of a football field 30 yards wide and 17 yards in height However it was home to Noah and his wife their three sons and their wives as well as seven pairs of clean animals one pair of unclean animals seven pairs of birds of the air and everything that creeps on the ground whatever that would total Add to that the animals that were aboard to be sacrificed in religious ceremonies plus all the food to sustain that horde of humanity and animal life during their lengthy voyage and space might have gotten a bit crowded After being cooped up together day after day for what must have seemed like an eternity can you imagine what humorous and crazy things probably developed
